Blueprint to the Future

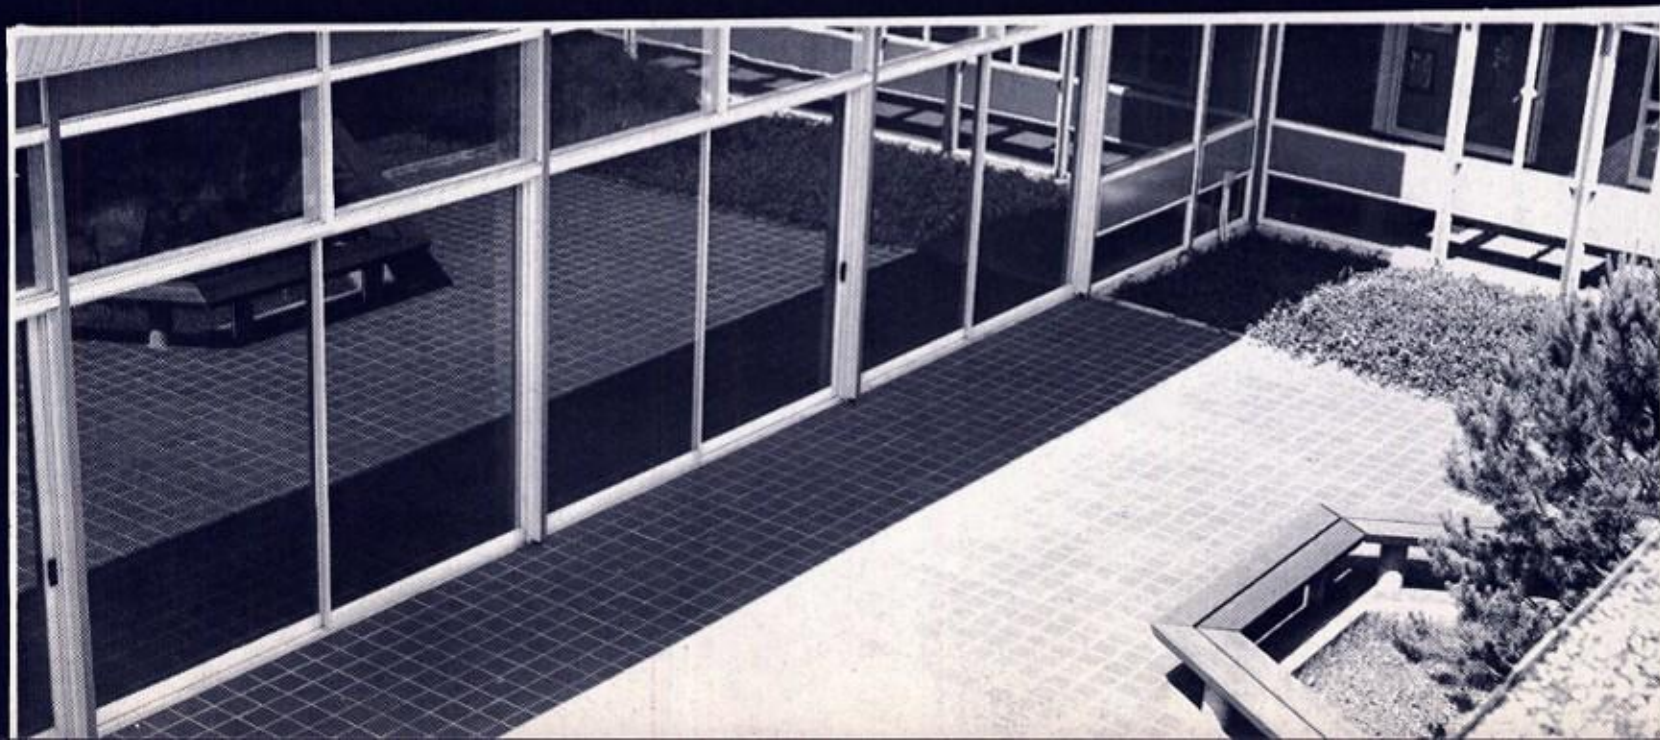

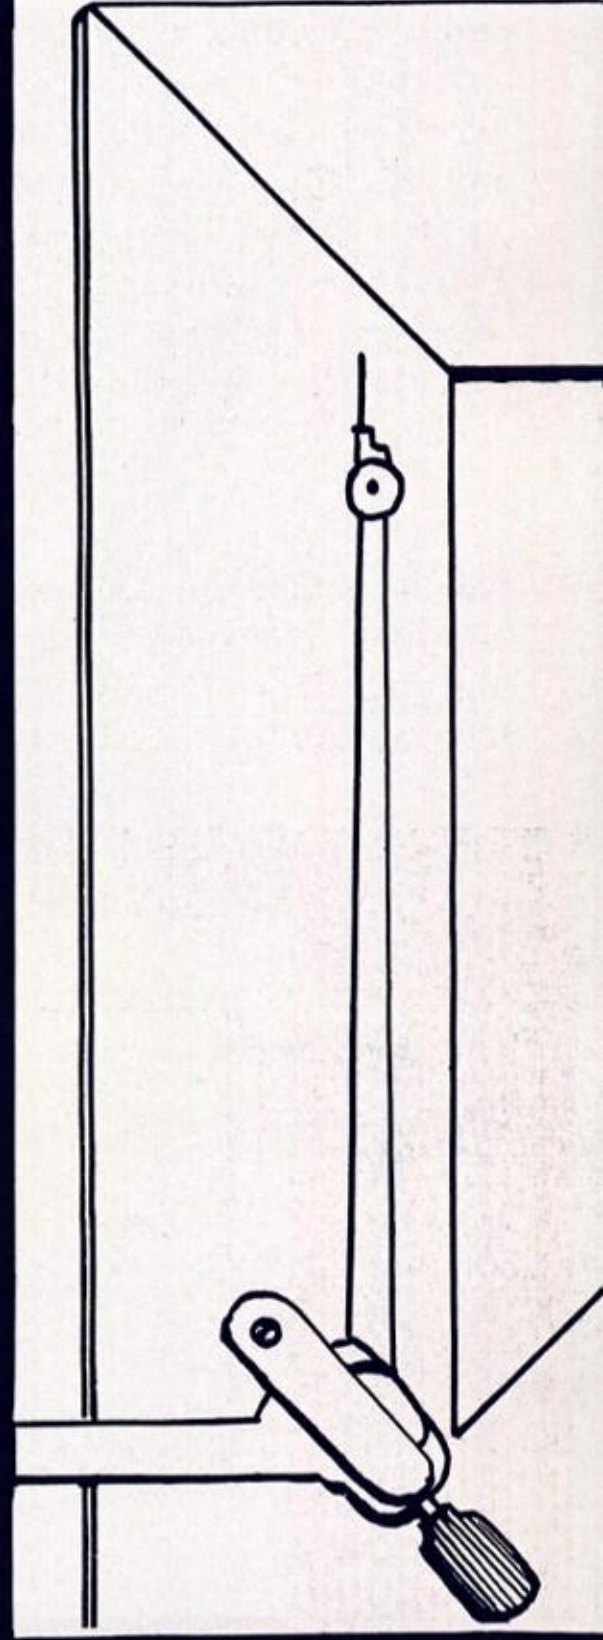

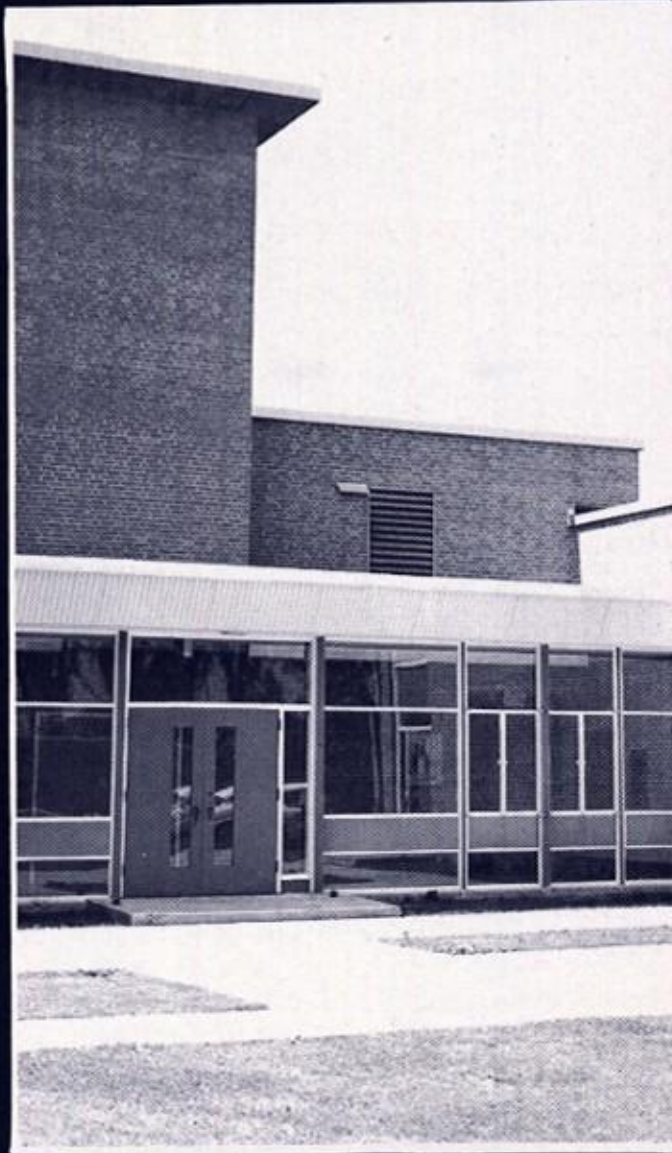

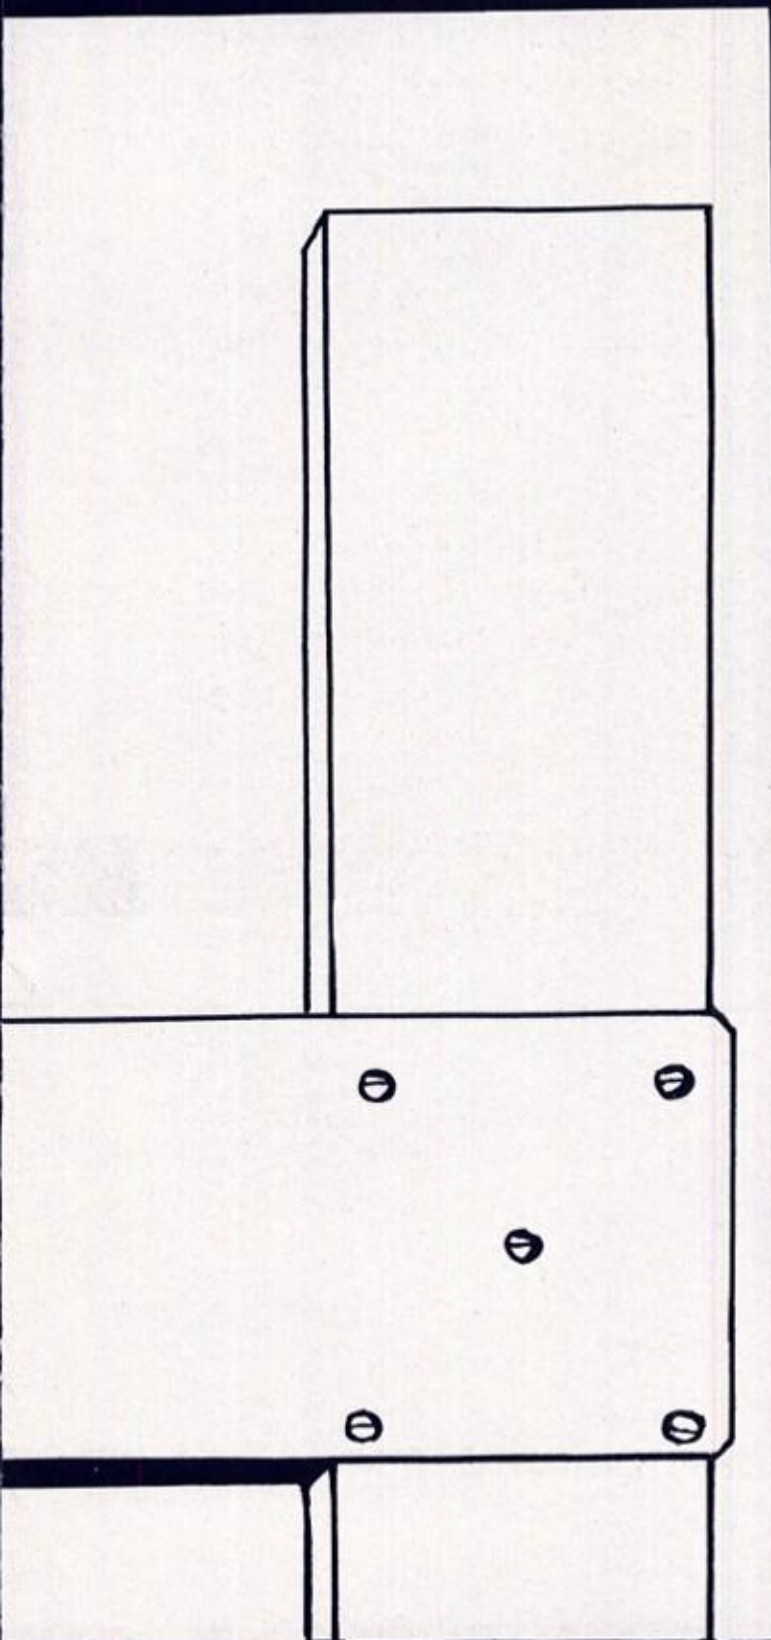

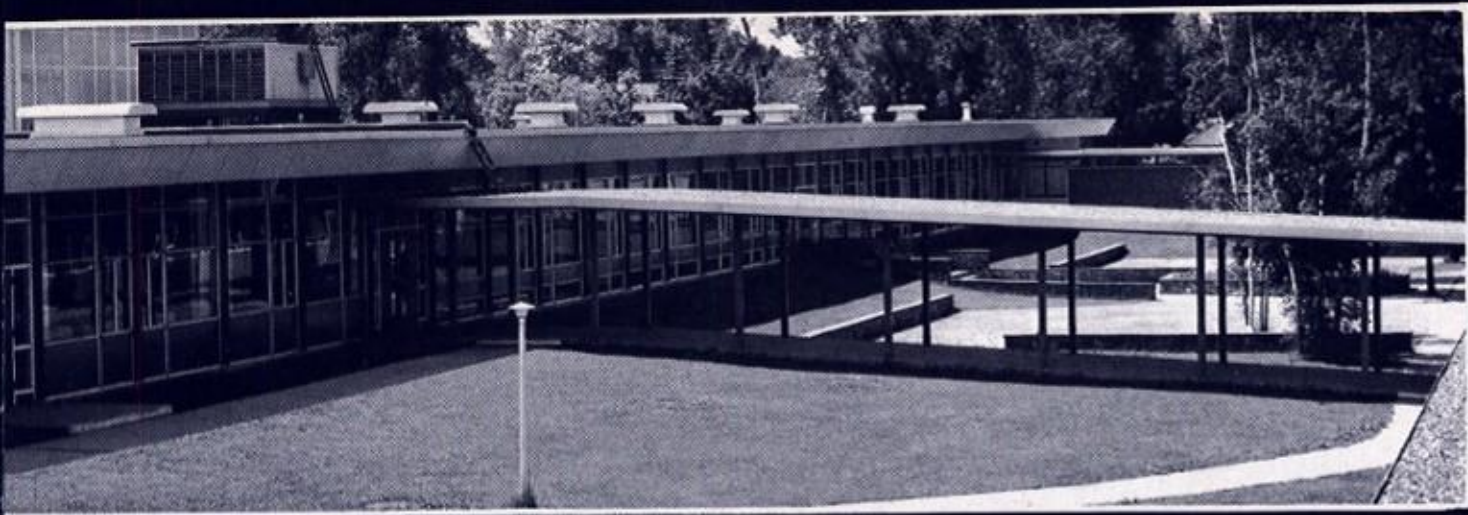

Linton is the fulfillment of a myriad of aspirations, but most important of all, it is a blueprint from which we pattern our future. Just as a blueprint serves as a guide for the contractor, so Linton serves as a guide for our lives. True to the principles of architecture, the master plan is the resolution of different purposes into an organized whole. Almost any building calls for a number of areas, different in size and shape and adapted to various purposes, which must be organized so that they provide adequate accommodation and convenient access. The purpose of a blueprint is to prepare a workable plan from which an expressive building can be erected. In the same fashion, our plan will lead to a meaningful life.

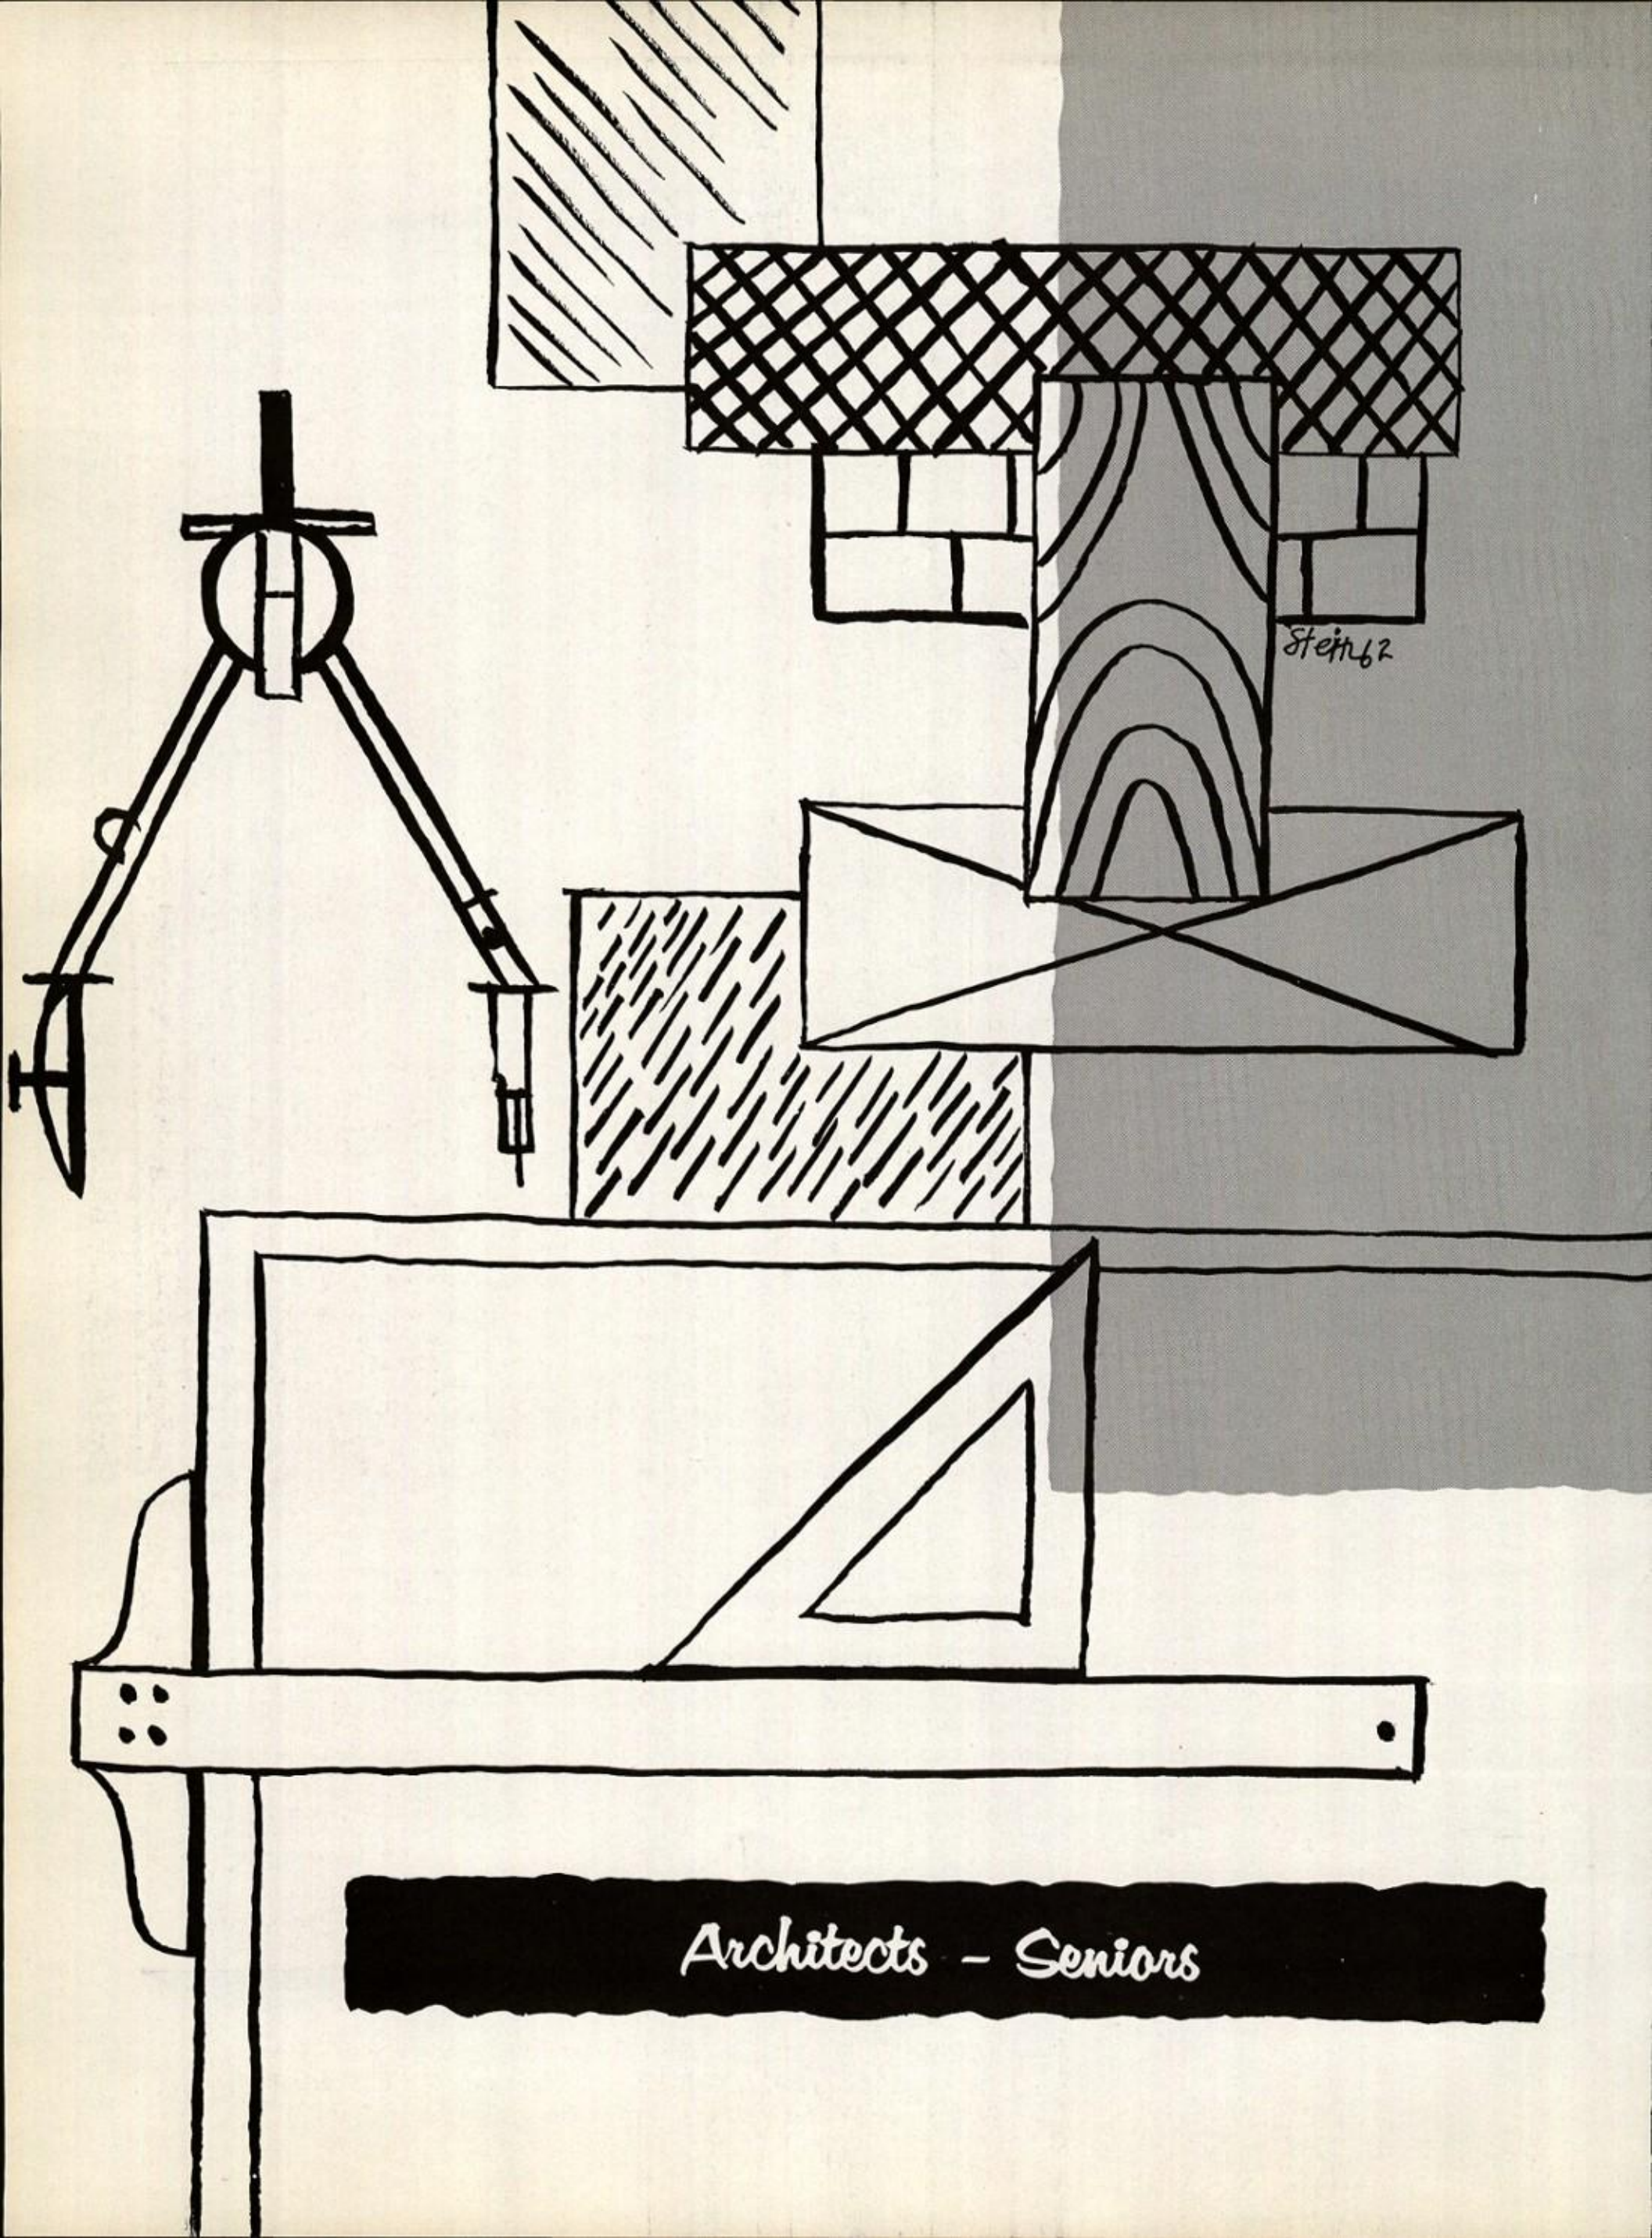

Before we could make the first draft, we had to gather our tools and develop a general idea. We could not draw up these plans unaided. The faculty and administration have always been ready as architectural con-

sultants since they have the added wisdom gained from experience. With their help and guidance our three years at Linton have gradually added new sections to the blueprint. Our studies have unfolded the academic wings; our sportsmanship, the gyms. For us graduating seniors, the job is almost complete. In a few days, when we receive our diplomas, we shall simultaneously receive our finished blueprints. But they are only plans. To be good ones, they must be put into effect. The construction of the future on the foundation of today is the purpose that the graduating seniors of Linton are setting forth to fulfill. Therefore, we must go on so that our plans will someday materialize.

The purpose of this yearbook is not to erect a monument to the future but only to remind our graduating class of the three years we labored in drawing our blueprints and, perhaps, to serve as a guide for those who are still in the process of planning.

FRONT ROW: Mrs. Leonard (Social dean), Sandra Fay (Treasurer), Joe Ruzzo (President), Gail Hackett (Secretary). *BACK ROW:* Tom Waterhouse (Vice-President), Mr. LaRocco (Guidance dean).

Receiving the Couples

Sheila Clapper and David Alois are greeted by Mr. Morhous in the receiving line.

Amidst the charming atmosphere of a Southern plantation, the receiving line welcomes the "Southern belles" and their chivalrous escorts to the Colonial Cotillion of the Senior Class.

Seniors rely upon their Senior Executive Committee for the planning and organization of all social functions and class activities. This democratic group comprised of a representative and an alternate from each Senior homeroom discusses ideas presented to the members and makes excellent decisions for the class.

Completing the Blueprint

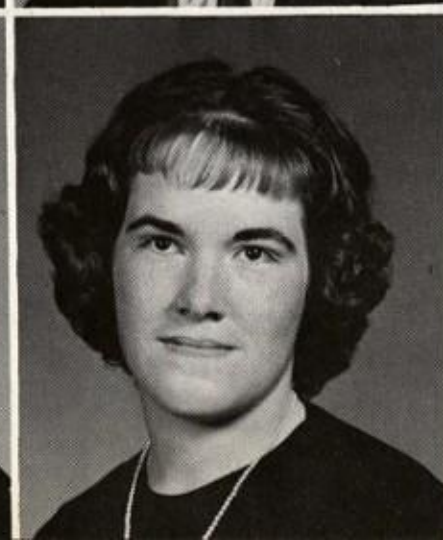

Mr. Roberts, School Board President, presents diploma to Terry Burns.

During the commencement ceremonies, the seniors are realizing the last moments of their careers at Linton. Each graduate receives his diploma, which testifies to the effort he spent in preparing for the future. Soon the exciting processional is over, and he steps through the portal of the future. In this challenging world, each graduate shall be able to build upon the foundation he has established during his three years at Linton.

Foundations - Learning

Chemistry class makes nitrogen dioxide.

Stressing Accurate Results

The use of a DC current generator is explained by Mr. Pitts.

PHYSICS

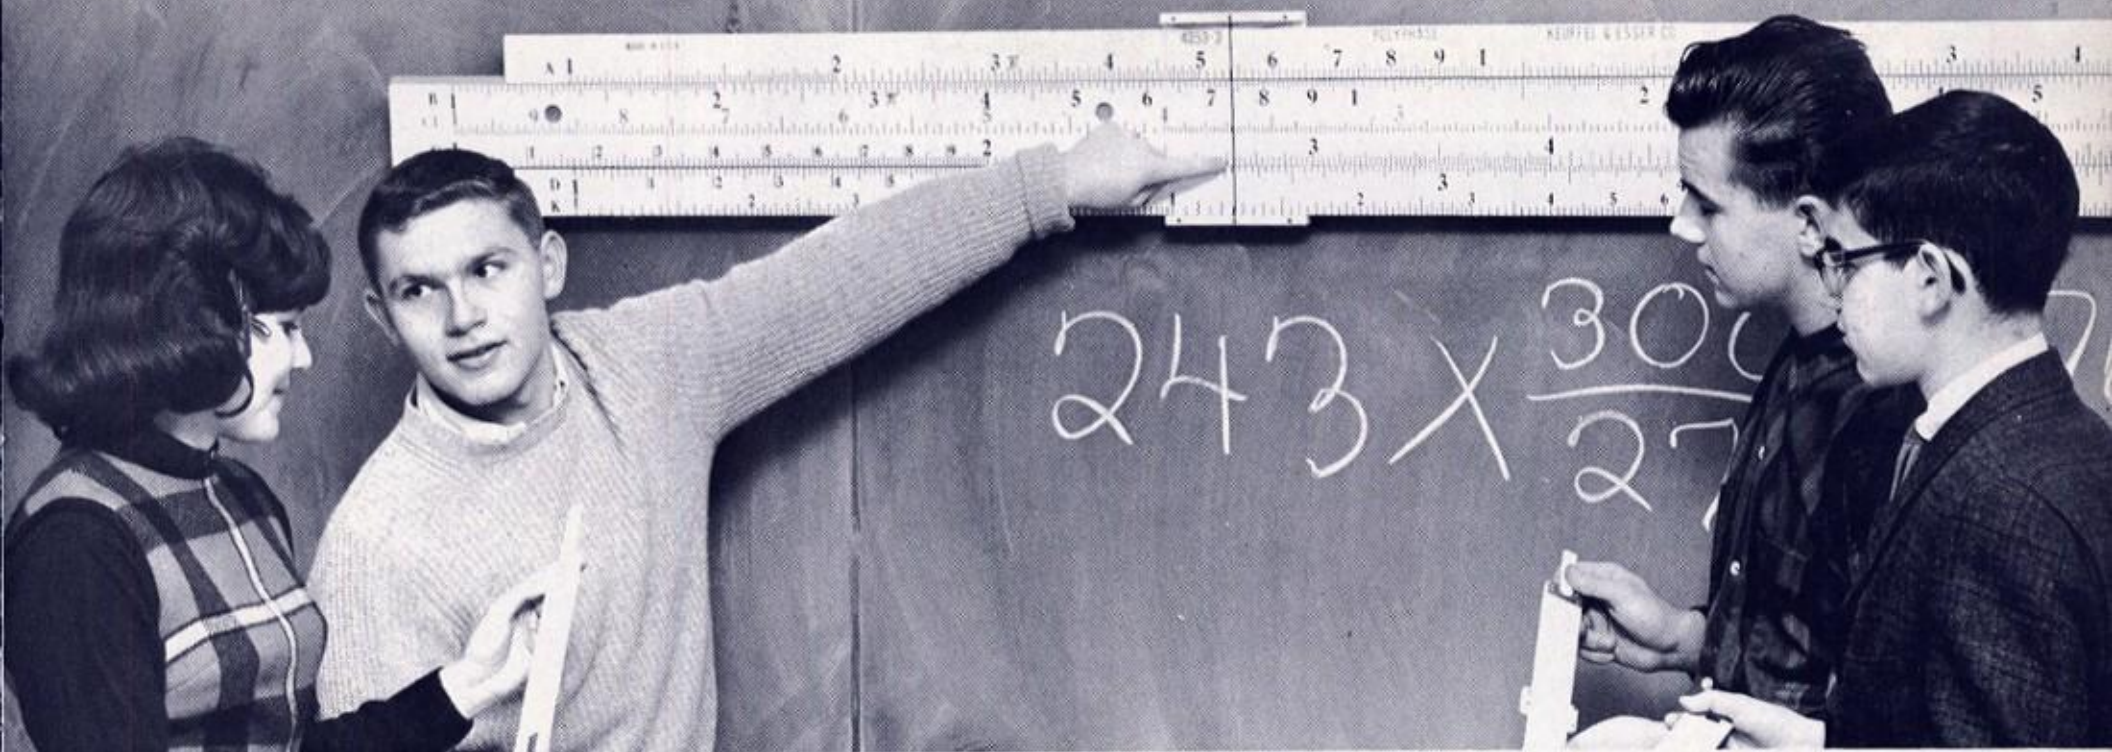

Teaching the fundamental principles of matter and energy is the main goal of this Physics course. It provides a firm foundation for all who intend to go on into the sciences or mathematics and gives any student a greater appreciation of daily phenomena. The class meets five times a week for lectures and discussions and twice a week for laboratories where the student applies what he has already learned.

BIOLOGICAL SCIENCE

Biological Science gives the student a better understanding and appreciation of his surroundings. In addition to learning about the human body and its functions, he studies both plant and animal kingdoms. In lieu of a special laboratory period, experiments and demonstrations are conducted to supplement the regular material.

Mr. Letko describes the method for dissecting a frog.

Toby Pugh explains the use of a slide rule.

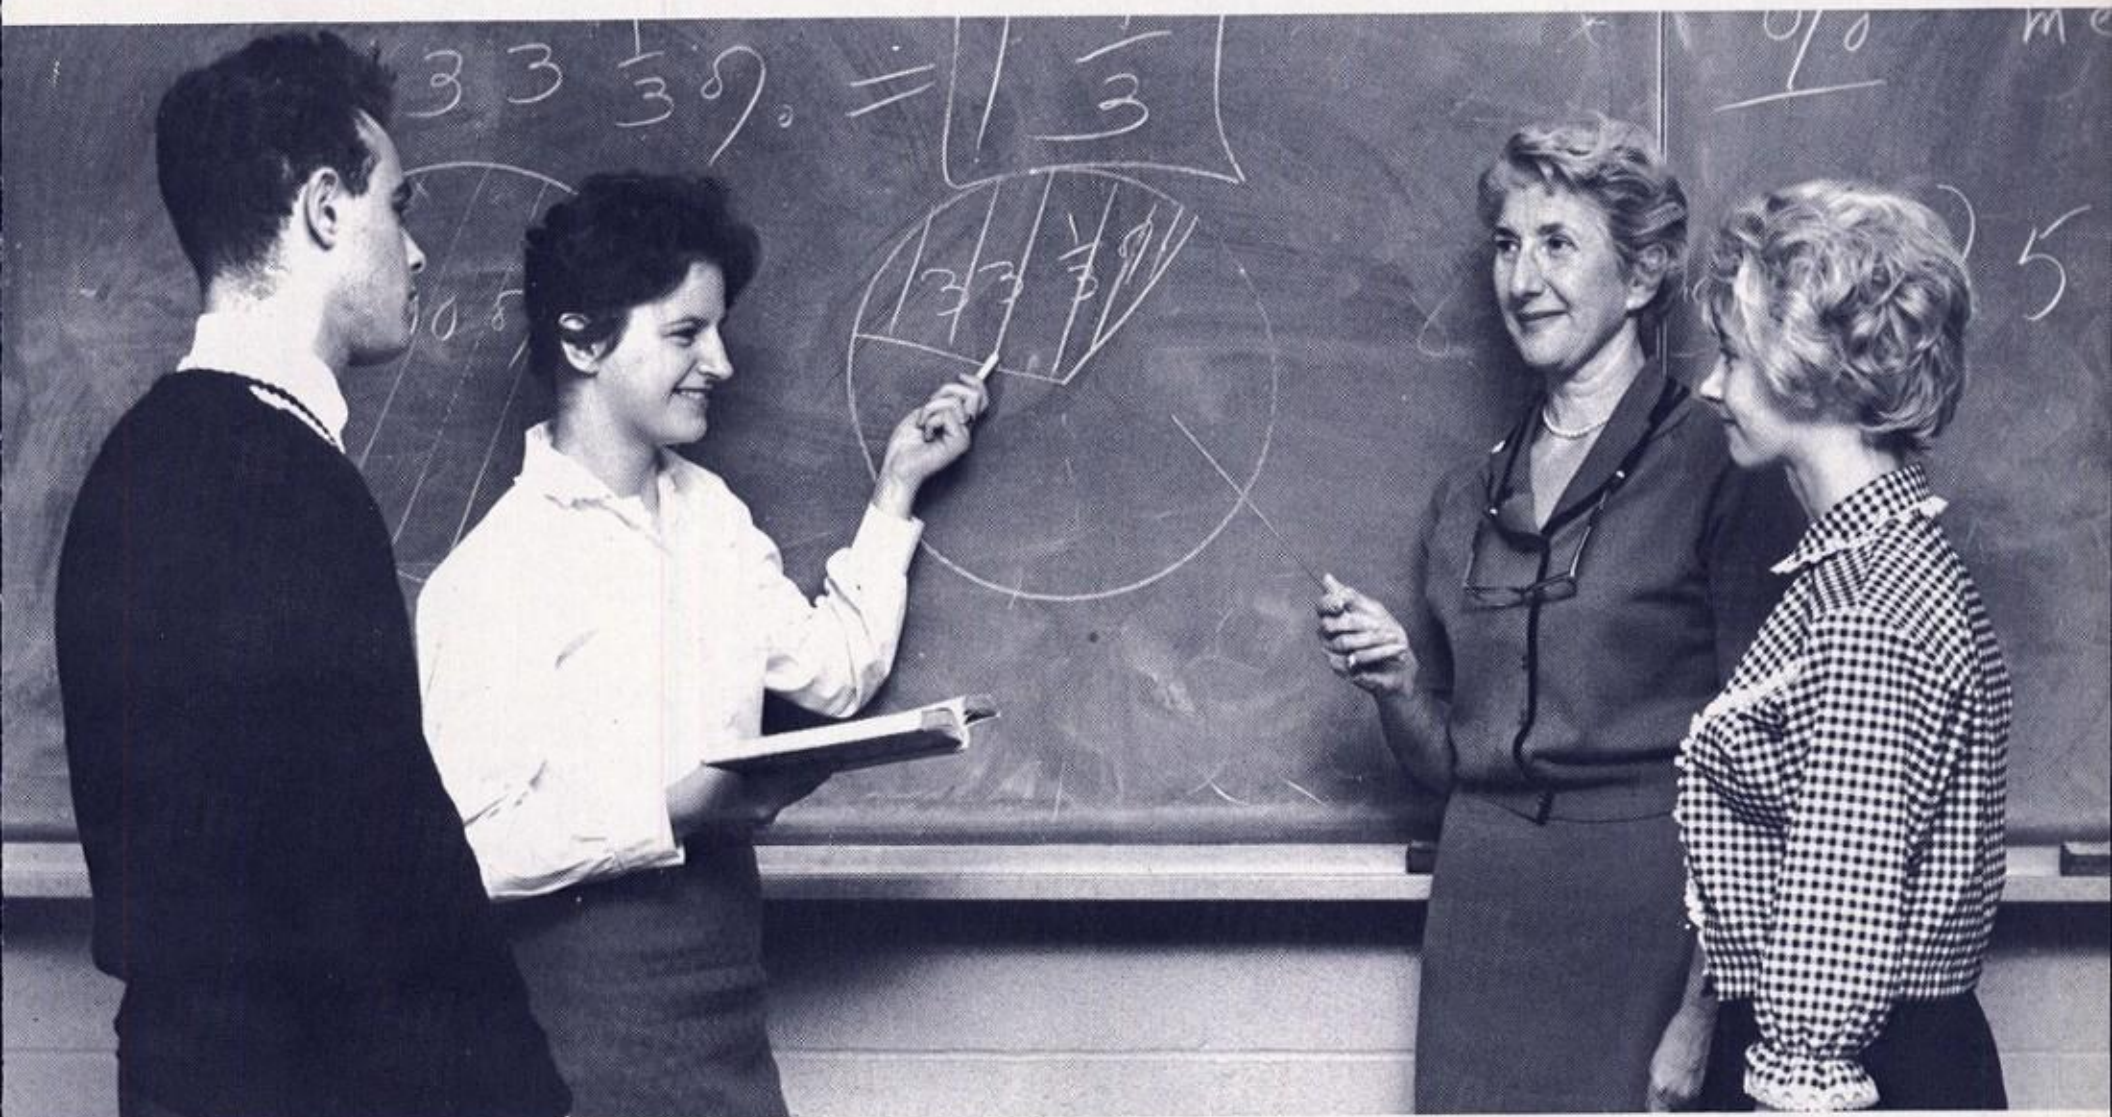

INTERMEDIATE ALGEBRA AND TRIGONOMETRY

Students instructing? Yes, in Miss Boynton's fast Intermediate Algebra and Trigonometry class, the tables are turned and students teach topics of their own choice. The standard principles of algebra are, of course, taught by Miss Boynton, but additional topics, such as the slide rule, probability, permutations and combinations, are taught by

her pupils. The advantages of this system are numerous, the most important one being the need for the instructing student to know his subject thoroughly and to convey it to the class.

Trigonometry is taught the second term after the students have taken Regents in algebra.

Mrs. Ludwig watches as students discuss the use of fractions

CONSUMER MATH

Students in Mrs. Ludwig's Consumer Math class work to maintain and improve their ability to understand basic mathematics by studying the number system, decimals,

fractions, percentages, buying and selling. From their studies, they gain an appreciation of practical and technological aspects of everyday life.

Acquiring Culture Through the Humanities

Mrs. Easley conducting a reading lab in English.

ENGLISH 10²

A relatively new experiment has been added to the English course curriculum. These tenth graders in Mrs. Easley's class are using the SRA Reading Laboratory, designed to reinforce and increase reading skills. There are over three hundred exercises which contain practice in reading comprehension, speed, vocabulary, and spelling. This lab is self-operative permitting each student to progress as quickly and as far as his own learning rate and capacity permit.

ENGLISH II — THEATRE ARTS

In eleventh grade, students may choose their English course. The Theatre Arts, a popular choice, bases most of its course of study on play reading, acting, radio and television dramatics, and motion picture understanding. From the class, the students gain a better acquaintance with the dramatic arts. Various community organizations have seen presentations given by this group.

Students rehearsing in Theater Arts for a performance of "Barrett's of Wimple Street."

Ghana is the subject in Mr. Mulvihill's World History class.

WORLD HISTORY 10¹

The aim of every World History class is to broaden understanding of today's world through the study of past civilizations as well as through modern cultures. To obtain an enriched knowledge of history and therefore an increased understanding of the world situation, Mr. Mulvihill's 10¹ class uses a college textbook. This group also devotes a part of the year to an intensive study of Africa and the Far East since these areas are so important in current affairs.

RISE OF NATIONALISM

Rise of Nationalism is an elective course offered to students in the eleventh or twelfth year. This course emphasizes the geographical background of Asia, Africa, and South America. It surveys the political and economic events in the newly established Asian and African nations more completely than can be done in a regular history course.

Expressing Beauty Through the Arts

ARTS AND CRAFTS

In Miss Simiele's Arts and Crafts class, the emphasis is placed on exploration of media. Instead of doing two-dimensional art-drawing and painting, the class experiments in three-dimensional activities. Some of the materials used are plaster of Paris, clay, wire, paper and metal.

Classes have shown an interest in making puppets. Also

a favorite activity is the designing and executing of block print, which is later transferred to fabric.

Designing and making silver jewelry is on the agenda. Because of the nature of this work it is taught to individuals or very small groups.

Students learn techniques of oil painting from Mr. Gilliland.

FASHION DESIGN

An innovation to Linton's comprehensive art program is a course in Fashion Design. Under the direction of Miss Simiele, the students learn to draw fashion illustrations starting with the figure and then placing on it different types of clothes. The course teaches the techniques used by fashion illustrators of top magazines.

OIL PAINTING

In Mr. Gilliland's Oil Painting class, students learn to express their creativity and imagination on canvas, at the same time learning the techniques of modern masters. Often the students' works appear on display in the main hall.

Miss Simiele teaches fundamentals of fashion design.

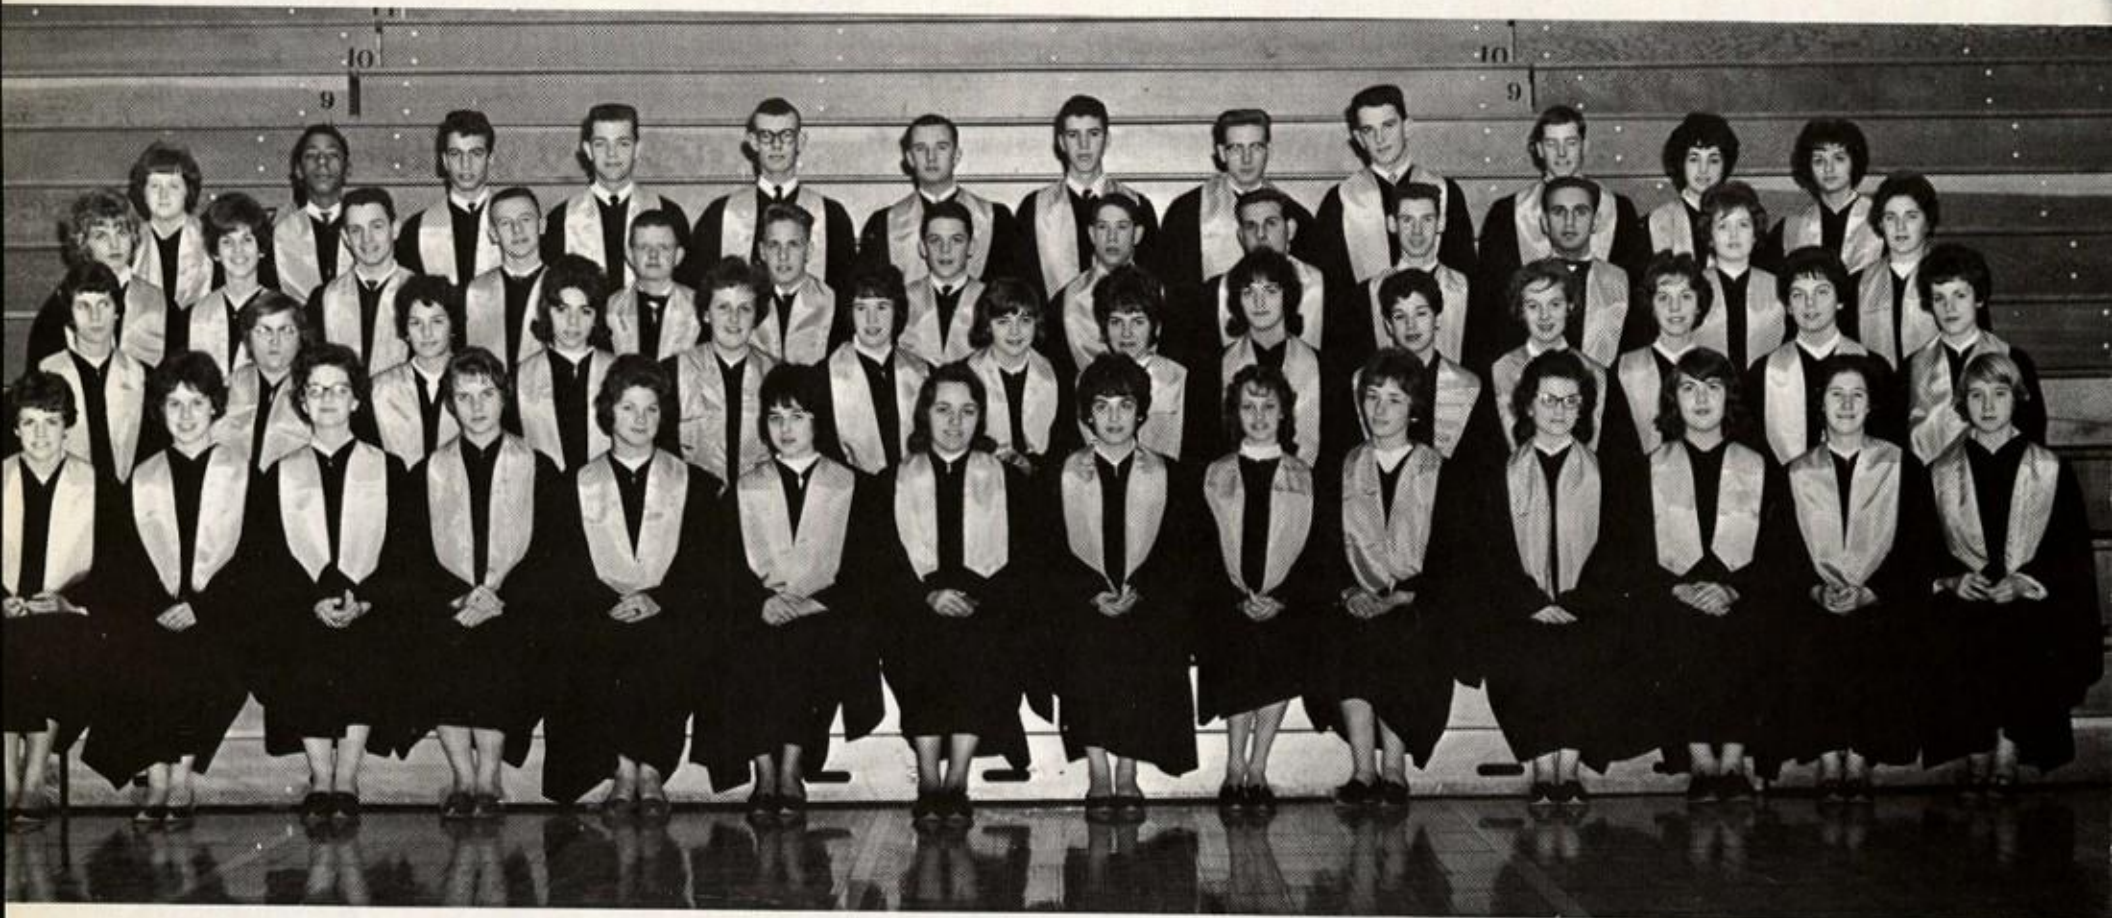

Singing Along at Linton

CHOIR

Choir, a full term subject, meeting daily under the direction of Dr. Robert Campbell, is designed not only to give its two hundred students choral experience but also to acquaint them with music representing the various periods in music history. Elements of singing such as voice production, correct breathing, enunciation, and musical interpretation are stressed.

During the year its members undertook one of the greatest choral works written, Carl Orff's "Carmina Burana," which was performed with the Schenectady Symphony Orchestra.

In addition, the choir performed at the annual Christmas Concert and participated in the Music for Unity Program.

BAND

The Linton High School Band, under the able direction of Mr. Anthony Pezzano, serves its most important function in marching at all the home football games and at the Mont Pleasant-Linton basketball game. In the winter, it participates in the school Christmas Concert and the All-City Instrumental Festival; while in the spring, it directs

its efforts to the Senior Day assembly and to a new, annual concert program with North Colonie High School. The band plays an essential part in a school which places such a heavy emphasis on school spirit and improvement of its students' cultural backgrounds.

ORCHESTRA

Meeting daily as a regular class session, the Linton High School Orchestra, conducted by Mr. Anthony Stefan, devotes its seventh period to preparing musical selections, the repertoire ranging from Viennese waltzes to lively Spanish numbers. The Orchestra takes an active part in such things as the Christmas Concert, many regular assemblies, graduation exercises, Rotary Club luncheon, and the All-City Instrumental Festival. Its forty-nine members represent our school as a non-competitive goodwill ambassador.

STRING QUINTET

Under the direction of Mr. Anthony Stefan, Linton's String Quintet is a select group of musicians chosen from the school orchestra. Their repertoire ranges from Bach's "Organ Concerto in A-Minor" to Vwaldis, "Concerts for Three Violins." During the year the group participated in the music department's Spring Program in addition to performing numerous times at the request of local organizations.

COLLEGIUM MUSICUM

The *Collegium Musicum* is a group consisting of selected students who perform master choral works. This year, *Collegium Musicum* presented the Mozart "Grand Mass" in C minor, and the girls sang two Brahms compositions: "I Hear a Harp" and "Song from Ossian's Fingal," accompanied by the Schenectady Symphony Orchestra.

SERENADERS

Serenaders is a group of approximately forty vocalists selected from the *Collegium Musicum* on the basis of their outstanding singing ability. They perform music of a lighter nature than *Collegium*. The Serenaders have made numerous community appearances and are a high spot in the annual TOP program.

Studying to Save Lives

HEALTH CLASSES

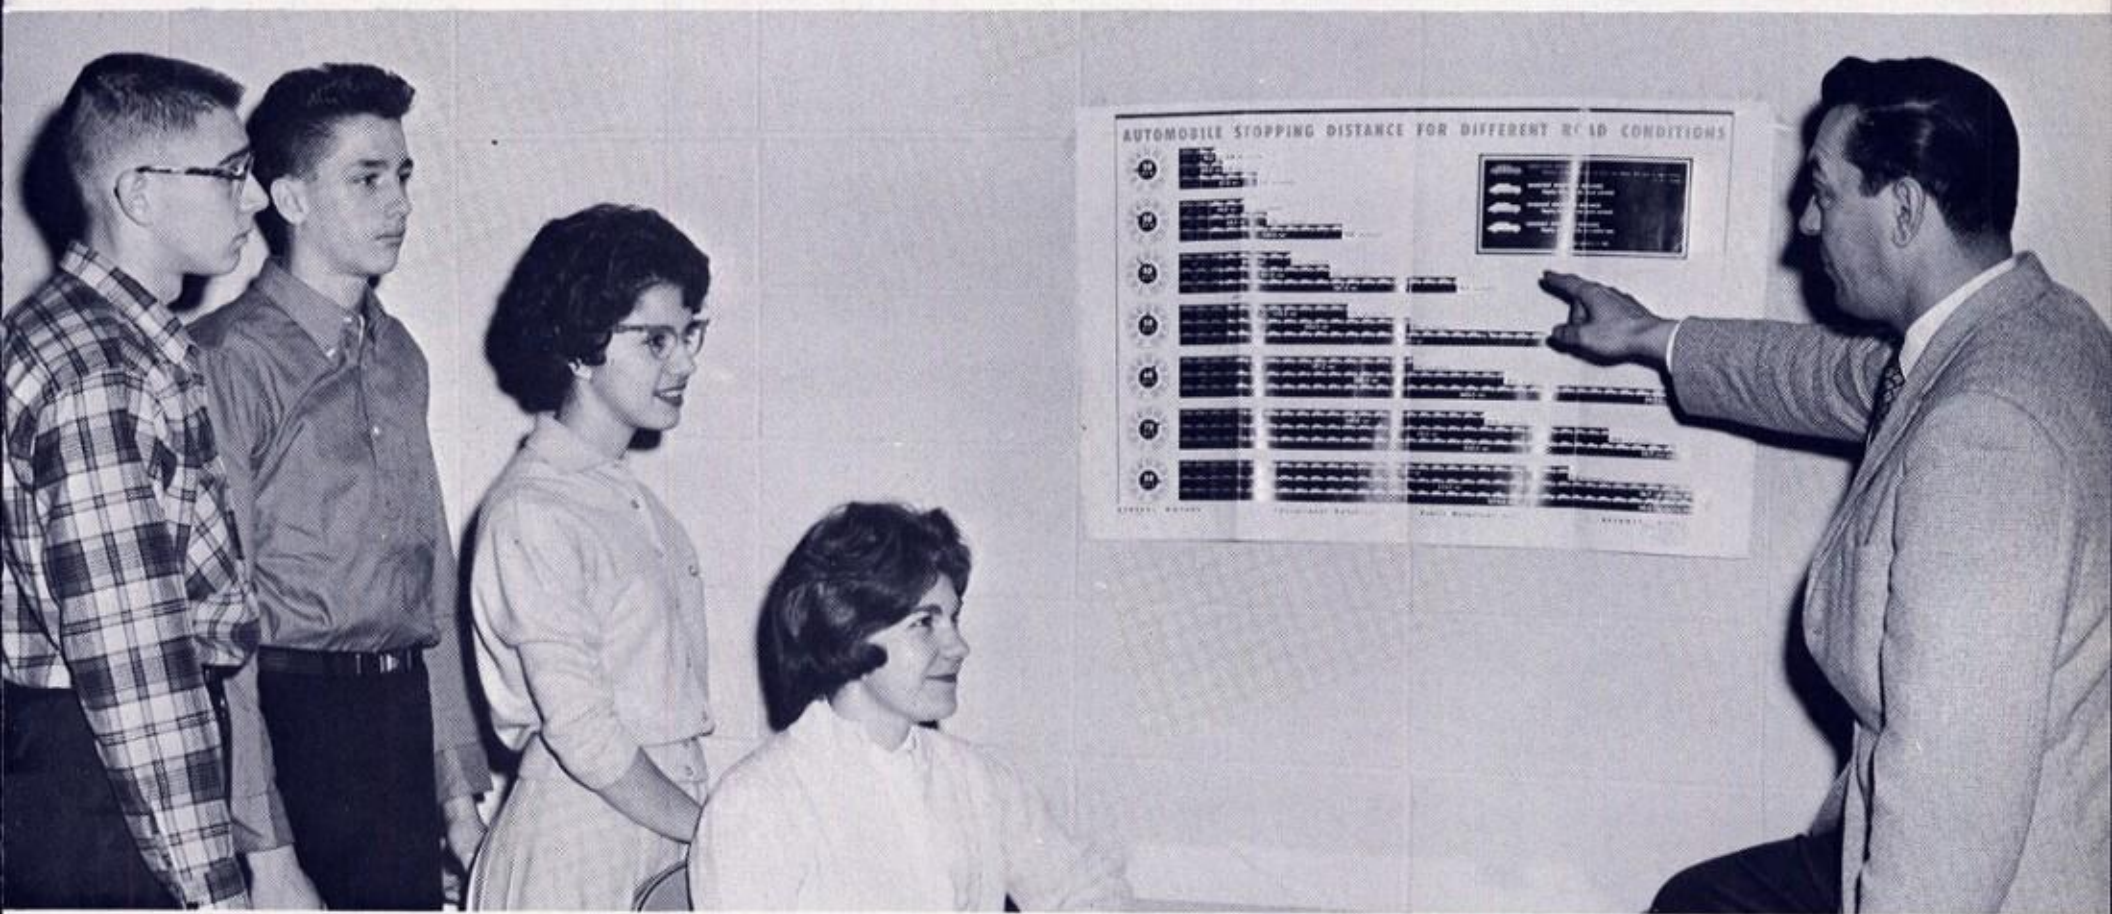

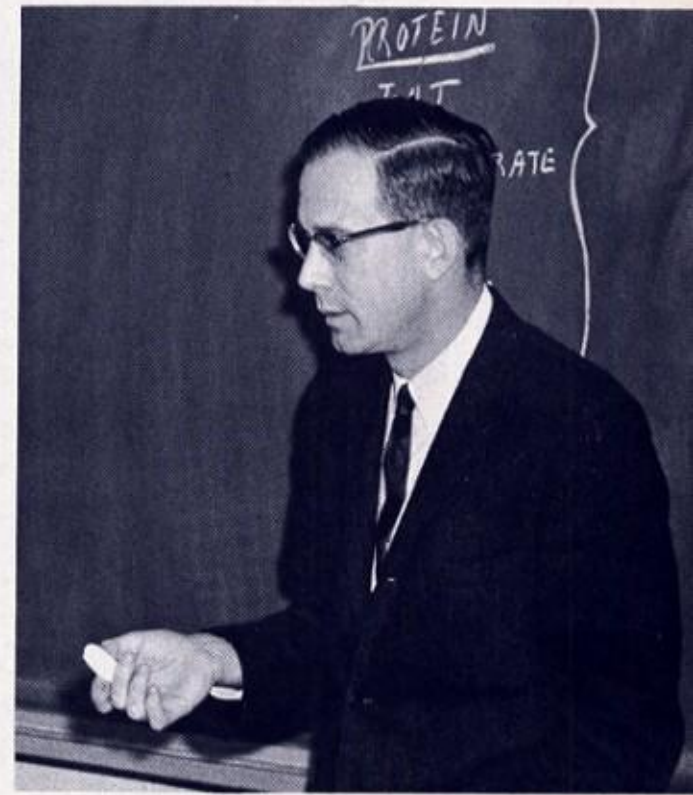

Again this year, students benefited from an unusual method of health instruction.

Local doctors contributed their time in instructing Health classes in the field in which each physician specialized.

Lectures were conducted one morning a week with the physician addressing three health classes consisting of both boys and girls.

The remaining class days were spent, under the direction of the health teachers, on the study of related subjects.

Driving safety is taught in the classroom by Mr. Rapavy.

DRIVER TRAINING

Learning the mechanics of a car, the rules of the road, and the basic driving skills, is the goal set for prospective drivers in our Driver Training course. These skills are practiced in modern cars under the supervision and guidance of Mr. Rapavy whose excellent instruction enables many of the students to become not only licensed but safe, competent drivers with the necessary habits of courtesy and alertness.

Readying for the World of Work

COSMETOLOGY

As a part of this year's course, students in the Cosmetology department took a field trip to New York City. The purpose of the trip was to attend a hairdressing show, but the girls also managed to visit several museums and a school of fashion design. The trip was financed by bake sales and car washes.

The Cosmetology course at Linton endeavors to prepare its students for employment in the field of beauty culture after graduation.

Cosmetology students learn the art of giving a manicure.

Replacing an engine part is no problem for these students of Mr. Hancock.

AUTOMOBILE MECHANICS

The course in Automobile Mechanics primarily stresses automobile repair and maintenance. The student becomes acquainted with his field through actual repair work when his progress has merited it. Instruction, consisting of lectures, slides and demonstrations, includes the fundamentals of engine operation, transmission and ignition. Diversification of automobile repair activities gives the student an opportunity to become acquainted with the specialized fields.

PRINTING 11 AND 12

During three periods each day, boys in Mr. Dawes' Printing class learn the basic fundamentals of printing processes. These include composition letter press and off-set lithography. Off their presses come such familiar items as report cards, game schedules, T.O.P. programs, play tickets and various types of posters. Almost half of the graduates of the course find positions in the printing industry.

Mr. Dawes explains the use of a Multilith press.

Understanding and Helping Others

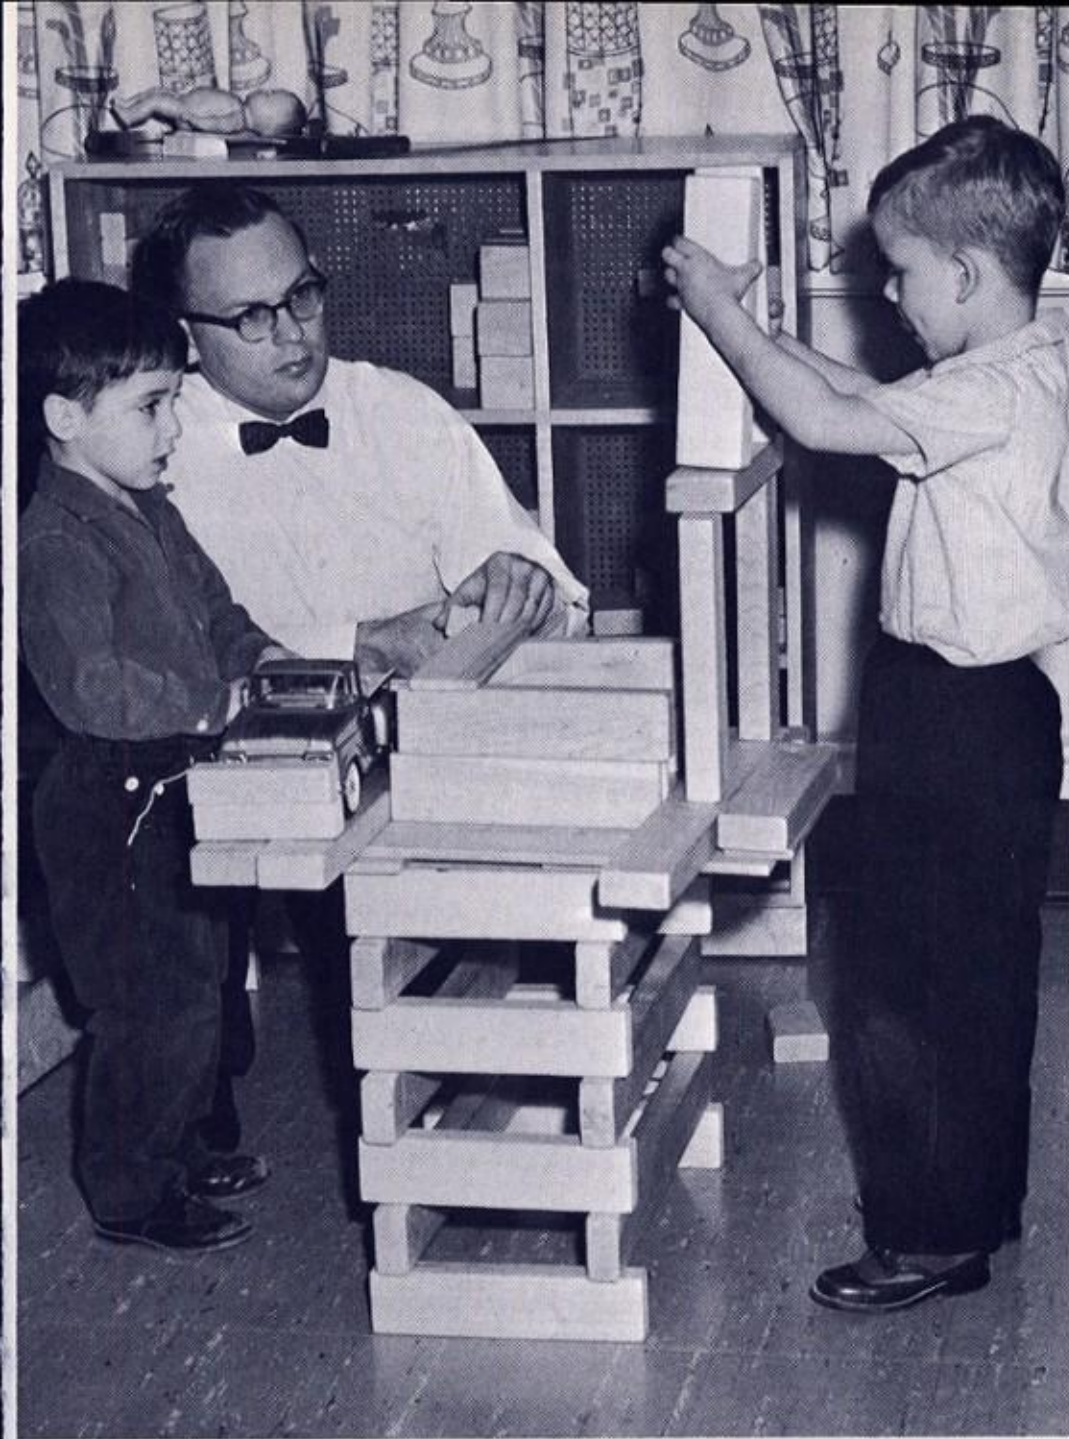

Psychoanalyzation is discussed in Social Psychology by Dr. Goldberg.

SOCIAL PSYCHOLOGY

Through the study of personal and social relationships, the pupils in Social Psychology are prepared for successful living. The subject matter centers around the conflicts facing persons at various age levels and investigates areas dealing with better understanding of one's self and others. In addition to the regular discussions are lectures supplemented with audio-visual materials and resource persons, and participation of all pupils with the pre-kindergarten group and their parents.

This student is helping one of the pre-school youngsters assemble an educational toy.

CHILD DEVELOPMENT

Learning to get along with children their own age in a situation away from home prepares the four-year-olds in Child Development classes for their future school years.

In the pre-kindergarten playroom is found the most modern equipment available for children with various personalities. Working with the children are students of the psychology class. Conferences enable parents to understand their children and to reinforce their parent-child relationships.

HOME AND FAMILY LIVING

Correlated with the Nursing program is the course in Home and Family Living. Education for family and group living has become an important role in a nurse's training. It is necessary for her to understand the relationships that are found in the family so that she can meet patients' needs more effectively.

Mr. Locke watches as these boys exhibit their techniques of building with blocks.

GERMAN I

WIR LERNEN DEUTSCH. In German I the basic forms are acquired with emphasis on understanding and response in the language. A cultural reader about the Revolutionary War hero General Steuben, a German-American, is introduced in the second semester. All students attend the audio active language laboratory once a week in addition to regular class work. Films in German about modern Germany are shown monthly.

SPANISH III

Spanish III class has several objectives. First, the students learn to speak and comprehend the language fluently and accurately by hearing Spanish spoken in class and by hearing authentic Spanish tape recordings and two recordings of our exchange student, Maria del Carmen Micamas. Second, the students gain an appreciation of Spanish literature by reading selected stories of outstanding authors and memorizing poetry. Third, the students acquaint themselves with the culture and life of Spain and the Spanish speaking countries.

A Spanish lab is directed by Miss Tipple.

Learning to Be Efficient

PERSONAL TYPING

Personal Typing is a half year, half unit course open to 10th, 11th, and 12th year students not in the Business Education Department. The course provides experience in typing letters, manuscripts, outlines, and other projects of a personal-use nature.

Knowledge of the keyboard and typing techniques are developed for accuracy and reasonable speed. Habits of neatness and accuracy are stressed.

BOOKKEEPING II

Bookkeeping II is an elective course including bookkeeping, accounting, and a two-week period spent on the study of making out income tax forms. Primary emphasis is directed to the analysis of business transactions and financial information afforded thereby.

This course gives the student some insight into the objectives of the course as taught in the first year of college.

FOOTBALL

Under the superb guidance of Head Coach Richard Lalla and assistants Dominic Denio, Edward Catino, and John Ziamandonis, our football team completed an excellent season with a 7-1 record and the Class "A" Championship.

The opening game against Amsterdam gave ample insight into our tremendous ability. Star halfbacks Ron Oyer and Bill Makofski each scored two touchdowns while fullback Dick Wilgocki added another and kicked five extra points in our convincing 35-0 victory. The whole defensive unit did an outstanding job holding Amsterdam to minus six yards rushing.

The next three games provided similar results. A 25-0 first period lead was turned into a 31-0 victory over Troy, which was followed by wins over New York Military Academy (45-6) and Newburgh Free Academy (33-7). Quarterback Paul Bricoccoli threw four touchdown passes and Oyer scored five touchdowns to lead the way.

Albany gave us a tough time before we could claim victory. Bill Makofski scored a first quarter touchdown, and the defensive unit did the rest for a 6-0 triumph.

Our only loss came at the hands of Easton High at Easton, Pennsylvania. Their superior depth proved to be too much for us, and they won 33-14. The game was not our only loss as Bill Makofski and center Howie Lorch were lost for the season with leg injuries.

We rebounded with a 13-0 victory over Mont Pleasant. The whole team played magnificently, but Ron Oyer was definitely the star. He scored the first touchdown and threw a 27-yard pass to Dan DeMeo, who made a beautiful catch in the end zone for the other.

In the season's finale, we routed LaSalle, Diocesan League Champs, 27-0. Bricoccoli finished his fine high school career by throwing three touchdown passes, two of which were caught by Oyer.

NYMA is unable to stop Ron Oyer.

For the first time since 1953, Linton can lay claim to the Class "A" Football Championship. Actually, this is Linton's first title because eight years ago was in the Nott Terrace era.

Not only did we win the championship, but we did it without a point to be scored against us. We defeated Amsterdam 35-0, Troy 31-0, Albany 6-0, and Mont Pleasant 13-0. The key game in our bid for the championship was the encounter with Albany. A first quarter touchdown and another fine performance by the defensive unit preserved our victory. Naturally, our most satisfying triumph was the one over our arch-rival Mont Pleasant. This game not only clinched the league title but also made us city champs.

Star of the Mont Pleasant game and player most responsible for our winning the league championship was Ron Oyer, a transfer from Armijo High in Fairfield, California, last September. The 6-feet, 190-pounder was a standout in every game he played. It is impossible in this limited space to relate everything that he did for our team. The biggest tribute to Oyer's ability came when he was selected to the first team of the Wigwam Wisemen Scholastic All-American Football Team. This is the first time a Linton player has been so honored, and, in recognition of his achievements, his number has been retired.

Although he was the best, Ron Oyer was not the only outstanding player on the Linton football squad. Paul Bricocoli and Rit Wilgocki received honorable mention on the Wigwam Wisemen Scholastic All-American Football Team. It is indeed a rare achievement when three boys from the same school attain national recognition on such a select squad.

The All-County team was almost completely dominated by Linton gridders. No less than seven Blue Devils made the first team. They were halfback Oyer (named the County Scholastic Player of the Year), quarterback Bricocoli, fullback Wilgocki, ends Dan Demeo and Mike Meola, tackle Lou Gregory, and guard Dick Farone. Both center Howie Lorch and halfback Bill Makofski who were in strong contention for first string berths until injuries in the Easton game sidelined them, received spots on the second team, and tackle Ted Trapini obtained a place on the third team.

The individual honors, both local and national, and the team's record speak for themselves. Our 1961 football team will undoubtedly be remembered as one of the finest in the history of the school.

JUNIOR VARSITY FOOTBALL

Linton's Junior Varsity Football Team, coached by Ed Catino and John Ziamandonis, finished undefeated for the second straight year. Combining a very potent offense with a stingy defense, we had trouble in only two of the seven games.

The Blue Devils opened with a 37-0 victory over Amsterdam and 32-8 win over Troy. The latter game gave indication of the overall depth of the team. Marco Corvino, who became the highest scoring Jayvee in the school's history, had two touchdowns while four other boys also tallied.

The two big games of the year were with Mont Pleasant and Bishop Gibbons. Neither team in the Mont Pleasant game was able to score, and it ended in a 0-0 tie. We fared better against Bishop Gibbons' undefeated Jayvee team and won 27-0.

The addition of these boys to next year's varsity should aid our chances for a repeat Class "A" League Championship.

Cross Country Team in Rebuilding Year

CROSS COUNTRY

The Linton harriers rounded off a fair season this year with promise of great improvement in 1962. Led by Frank Bianchi, John Bing, and Steve Bobik, backed up by Bob McAndrew, Doug Fox, Dave Thelen, and Chuck Fenimore, Coach Leonard's team participated in six meets this year.

Because of excellent competition, we fared poorly. There was, however, great team spirit and sportsmanship on the squad for which our boys are to be commended.

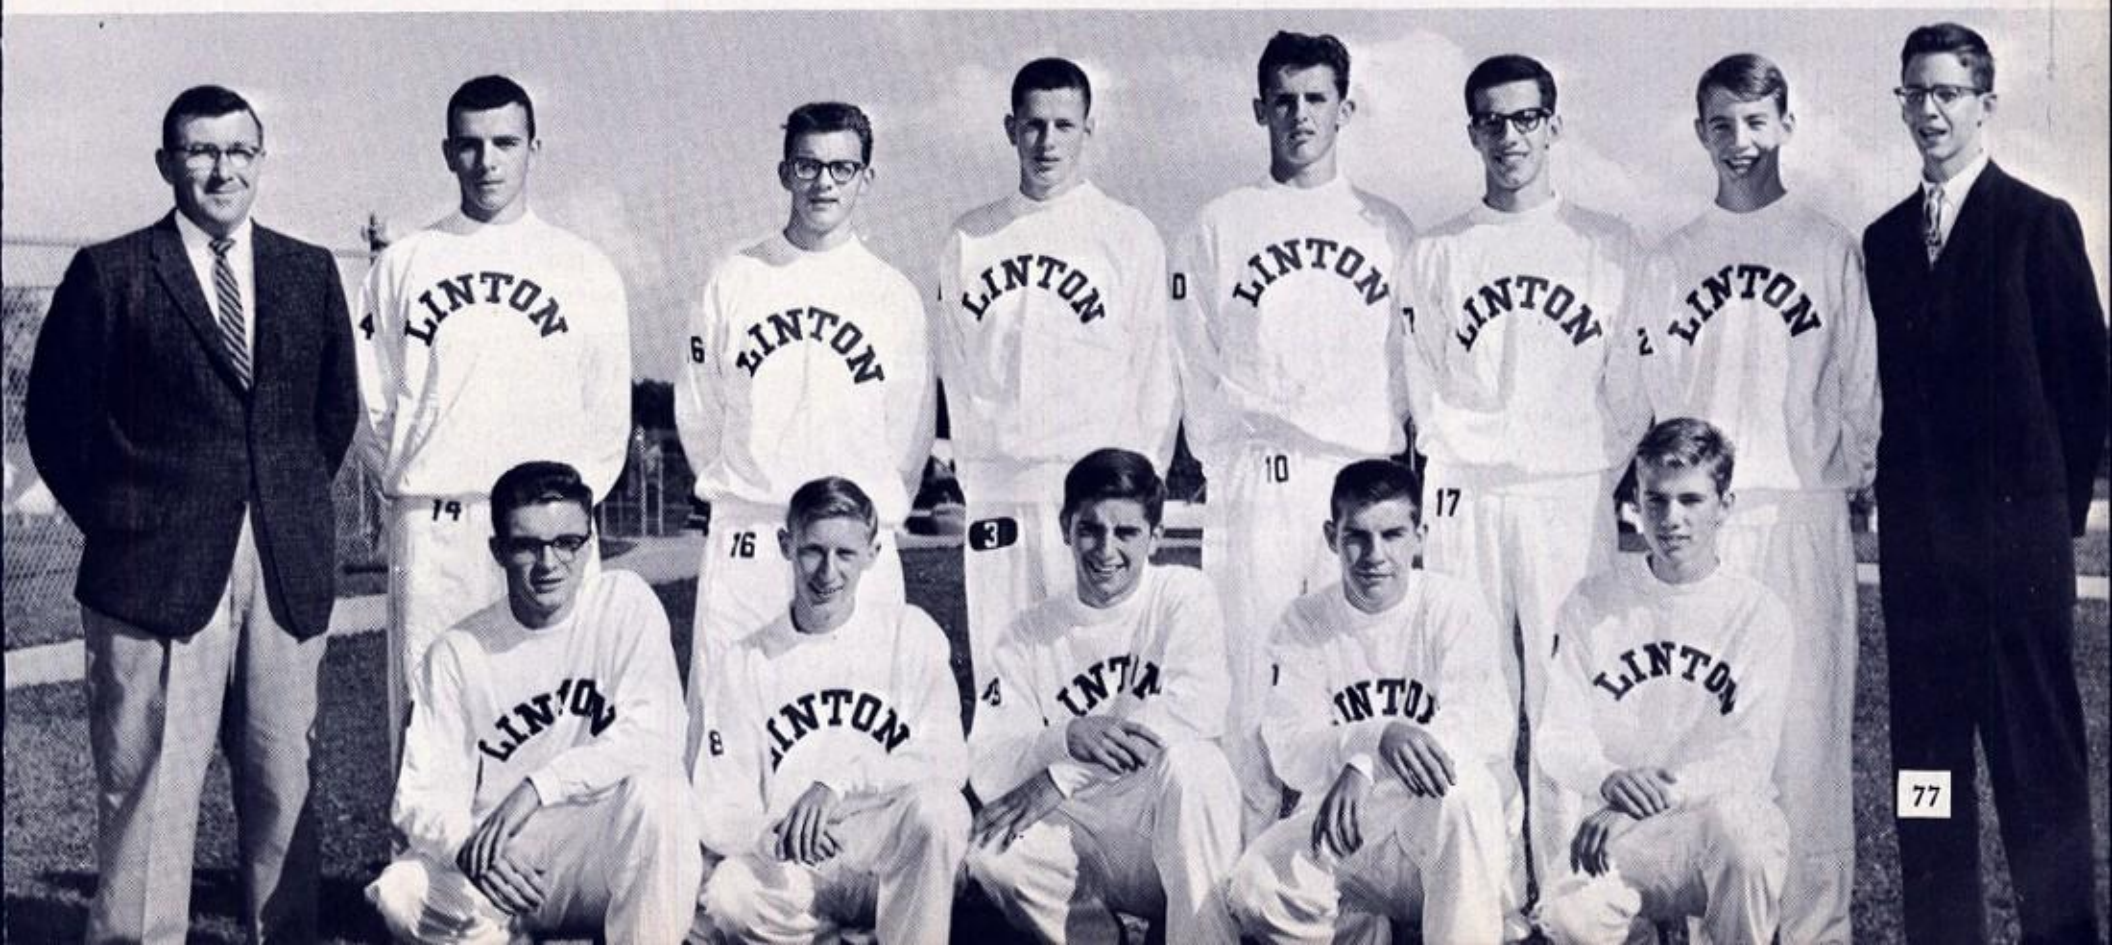

Our runners opened the season with a meet at Utica. Then the Proctor run was followed by the Group Memorial run at Central Park and the NYU run in New York City. We placed eighth in the annual Fordham run, which was also held in New York City. Our best performances were a fourth in the Bishop Gibbons' Run and a fifth in Class A at the Sectionals.

BOWLING

This year's bowling team rolled off to a good start with Larry Wasserman, Bob Cirincione, Jim Serapilio, Rick Bland, Don Pidgeon, Angelo Graziane, and Frank Conte qualifying for the team.

The boys defeated Guilderland 2459-2161 in our first match of the season. Angelo Graziane was high man with a three-game total of 531.

We then rolled past Amsterdam 2676-2475 with Bob Cirincione capturing a 609 high triple. Our next victim was Scotia 2589-2293 as Angelo Graziane rolled a 582 high triple. The team then fell victims to Bishop Gibbons in our only loss thus far this year. Bob Cirincione's 507 was the team's high triple as we were downed 2425-2390.

WRESTLING

Despite the loss of six varsity wrestlers and a light freshman turnout, our wrestling team has turned up a 4-2 record. Under the able coaching of Pete Shulha, we anticipate a good season as of this writing.

The grapplers started the season with a win over Gloversville, and on a trip to the Windsor Holiday Tourney, Warren Crow copped the championship in the 127-pound class. This was followed by a win over Cobleskill with six team members scoring pins. Then came a third place finish at the Niskayuna Quadrangular Tournament and our first loss of the season to Mont Pleasant. We then defeated Saratoga, lost to New York Military Academy, and took a win from Albany Academy. The best individual record belongs to Warren Crow, who has posted 11 straight wins, 7 of which were pins.

Golfers Cop Sectionals

The Linton Varsity Golf Team, although failing to go unbeaten for the first time in four years, still managed to chalk up a very respectable 9-2-2 record. Coached by Walt Przybylo, we captured the sectionals for the eighth time in twelve years.

The captain and number one was Junior Pete Famiano who was consistently the low scorer for the Blue Devils. In five of thirteen matches he finished under par and in five other matches Pete was only one or two above. During the summer, he added the New York State Junior Championship to his already long string of laurels. Seniors Steve Watts and Ron Sahr also turned in several fine

rounds which picked up valuable points. Rounding out the varsity were Seniors Mike Piccolo, Dave Weiss, Dick Cohen, and Junior Dave King.

The team stretched its unbeaten string to 39 before losing to Albany. Mont Pleasant fell victims to the Blue Devils twice by identical 10-0 scores. The highlight of the season came at the Section II Championship when our team led by Famiano's fine 74 edged out Glens Falls by one stroke to win the right to go to Ithaca for the Inter-sectionals. Although the boys played below their capabilities, they managed a fine fourth-place finish against the best teams from the state.

Christmas Tourney Highlights Season

Despite the fact that we lost the Class "A" Championship for the first time in four years, our basketball team is one of which we can be very proud. In compiling a 15-3 record, we won several key intersectional games and stretched our home court win streak to 35 games.

This year's starting five consisted of Bob DeLuca (captain) and Ray Young, seniors, and Pat Riley, Mike Meola, and Bill Boehm, juniors. A good bench proved invaluable several times. The capable reserves were seniors Ken Grant, Jim Delmonico, Carl Newton, Harold Edwards, Bob Schlegel, and junior Warren DeSantis.

The Blue Devil hoopsters showed an outstanding ability to score points. Nearly everyone came up with important baskets, but the most consistent scorers were Riley, DeLuca, and Meola. Despite a slow start, Riley finished second in the county scoring race with an average of 22.4 points a game. DeLuca, whose chief weapon was a corner jump shot, averaged 16.2 points. Meola rounded out the double figure brigade with an 11.3 average.

Because of Class "A" league scheduling, we had to play Mont Pleasant in the season's second encounter. The boys were prepared, however, and we walked off with a 59-54 win. Meola led the way with 21 points.

The next big obstacle we had to overcome was the Christmas Tournament. The talent-leaded field included four unbeaten teams and Power Memorial, one of the top teams in New York City. Riley led our advance into the finals. He scored 29 points in a 63-55 victory over Philip Schuyler that was carried to three nerve-racking overtimes. The next night

he scored 35 as we routed Bishop Gibbons 81-62. Our opponent in the finals was Power Memorial who boasted a 6-foot 10 center and several deadeye shooters. This was definitely the best team we faced all year, and we had to go all out to win 74-68. The scoring was well divided as DeLuca (19), Riley (19), Meola (13), Boehm (10), and Young (10) all hit double figures.

We ran into an inspired Albany team, after a two-week layoff, and lost 56-47. This game struck a blow at our Class "A" pennant hopes. We rebounded against Amsterdam in a game that meant the league lead. DeLuca was unstoppable as he poured in 31 points, and the game was decided with but one second left when an Amsterdam player missed two foul shots to preserve our 70-69 lead. We routed Mont Pleasant 94-67 in the return match. Riley led this victory with 26 markers.

We then invaded southern New York and whipped White Plains 69-64 in overtime and New Rochelle 73-66. Riley scored 37 in the first game while DeLuca tallied 28 in the second.

A 69-53 victory over Albany clinched us a tie for first place in the Class "A" and set the stage for the Amsterdam games. They beat us on their court 69-60 to force a playoff on a neutral court. After trailing 43-30 at halftime in the crucial third game, a big third period burst put us ahead 54-51, but we succumbed in the last seconds and lost 66-63.

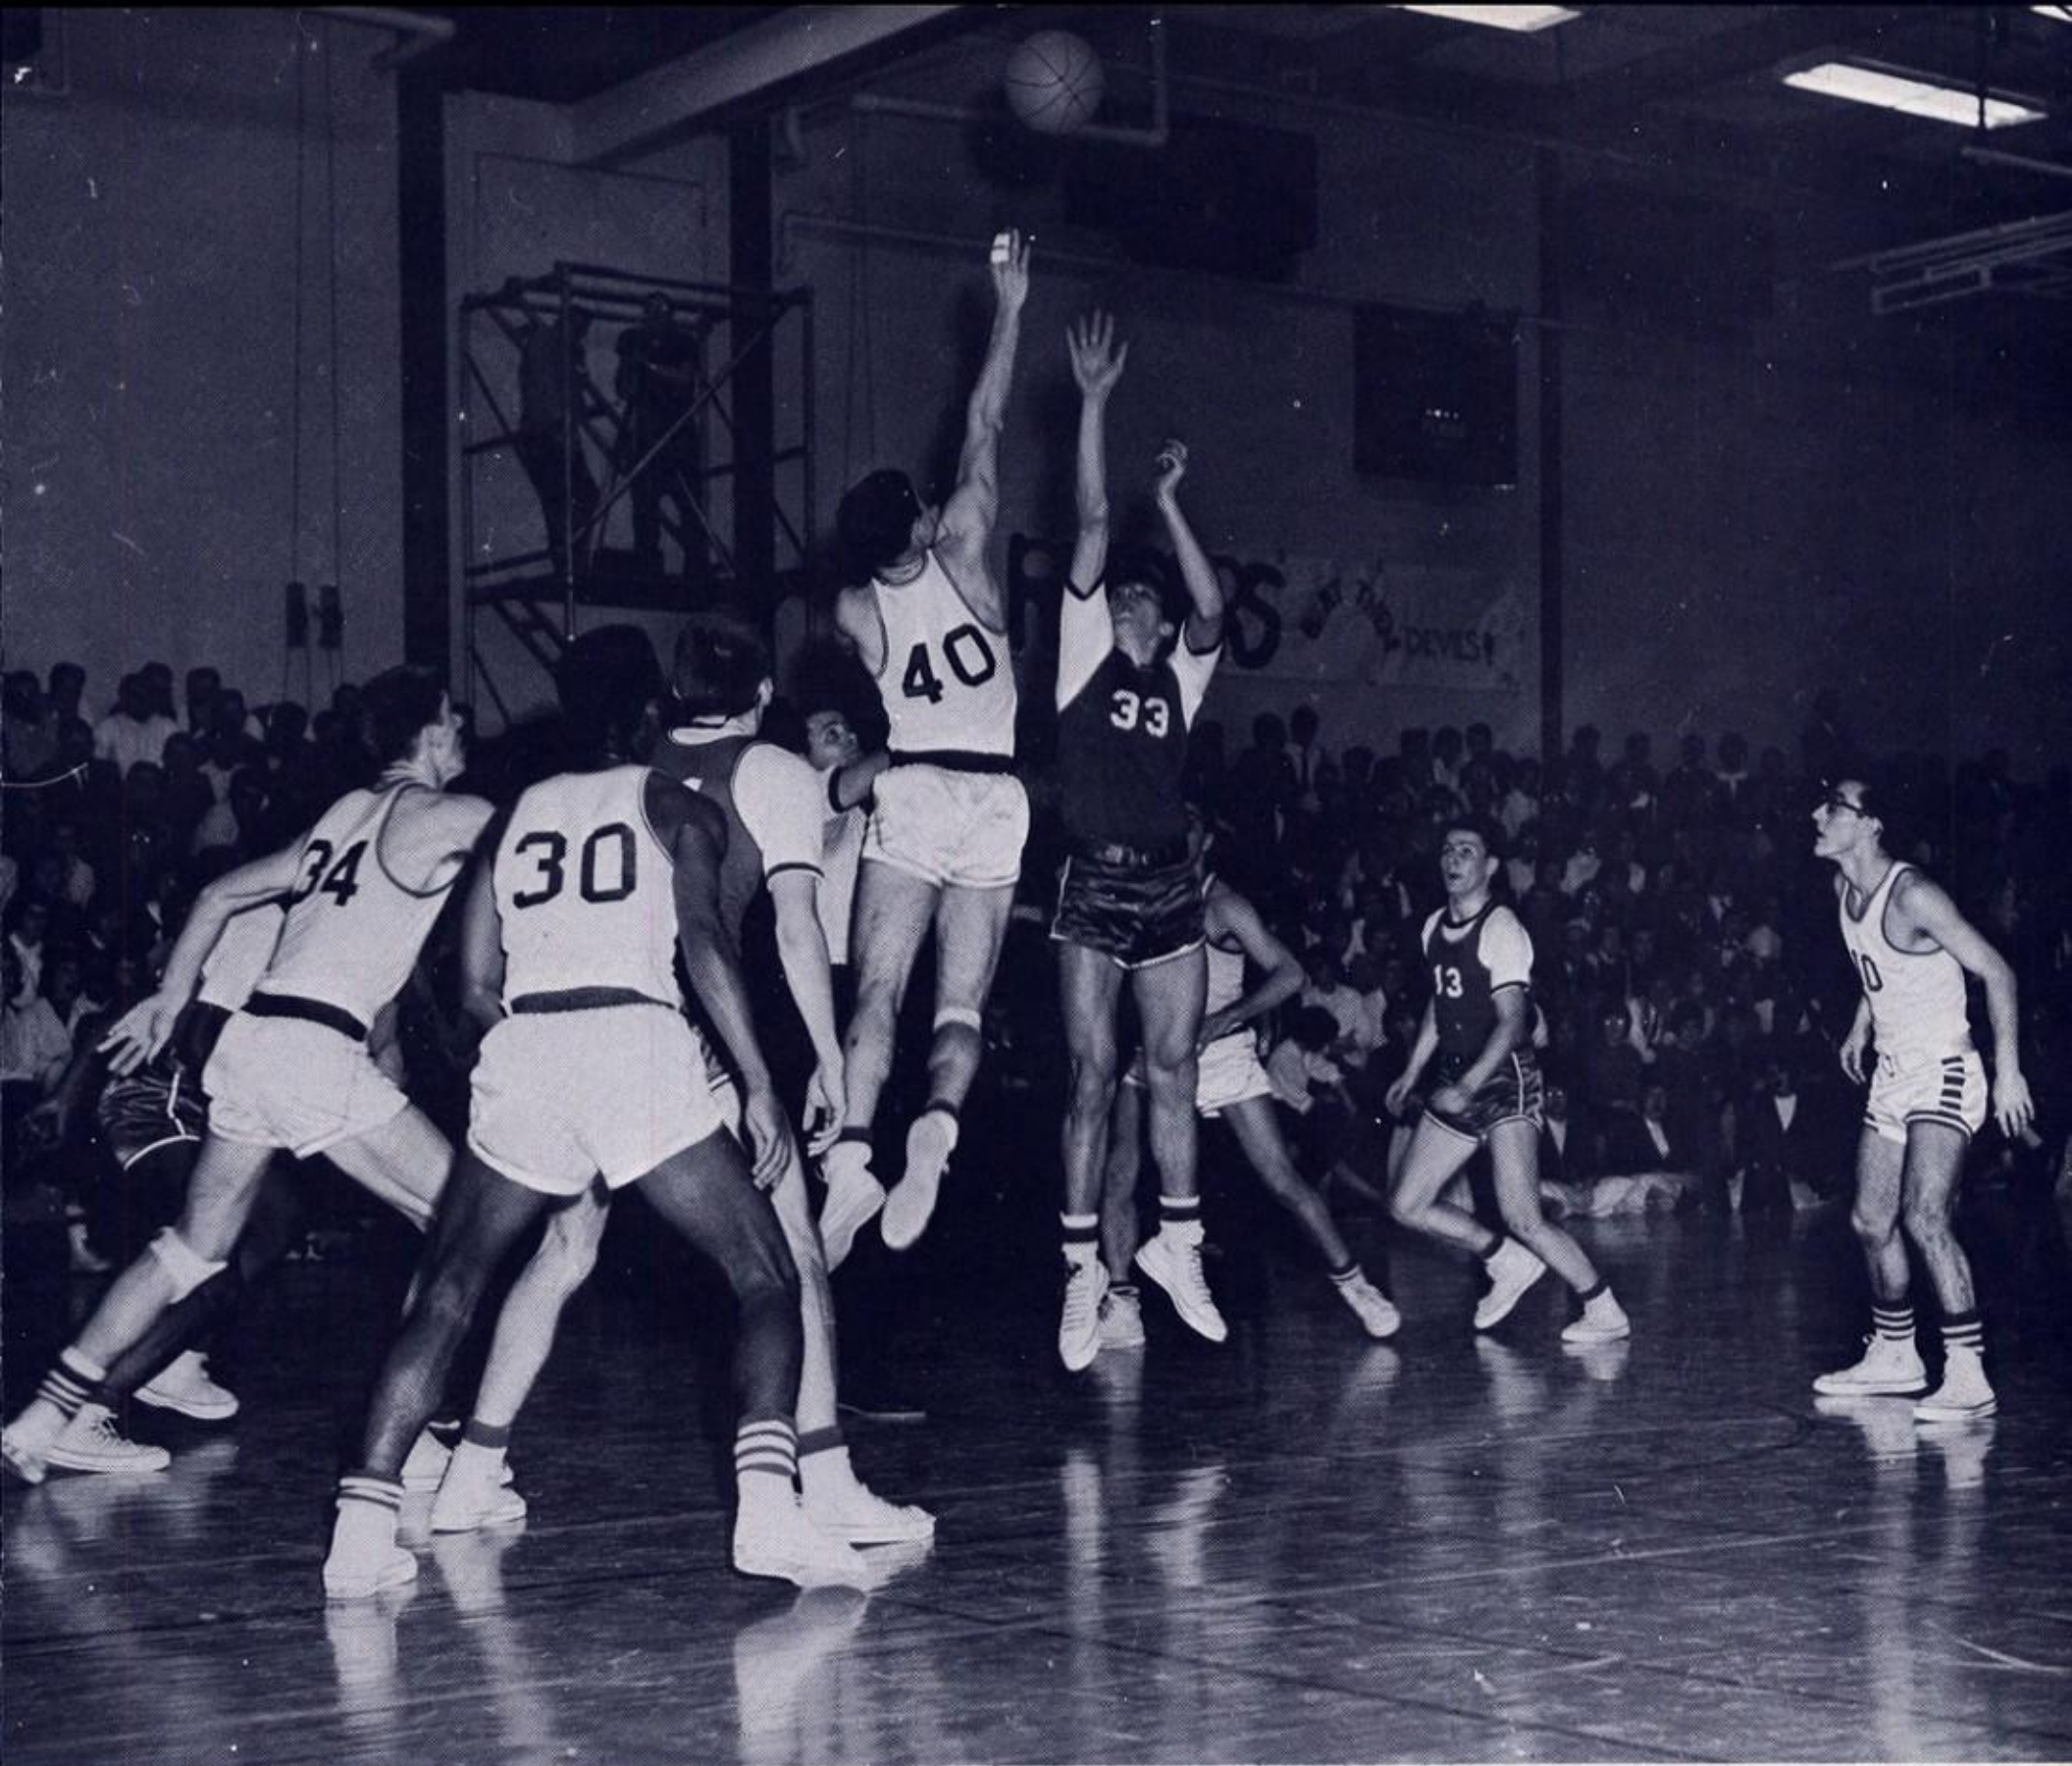

This was a sad way to end the season, but with Riley, Meola, and Boehm returning next year, the future looks bright.

Trackmen Run to Another Good Year

Our Bill Leonard-coached track team again came up with a good year. We lost only one dual competition meet, that being to "the school on the other side of the city," and placed well in all the multi-school meets.

We rolled off to a good start with a 69-40 win over Hudson Falls High. Larry Killeen ran away with first places in both the 100-yard and the 180-yard dashes to lead us to triumphs in 8 of 13 events.

With one win on the books we were then turned back with a 69-40 loss by our cross-city foe, Mont Pleasant. We took only three first places, 100-yard dash, hurdles, and the medley relay, in our lone dual setback.

We got back on the winning track by mashing Albany High 74-44. Dick Wilgoeki won both the shot put and the discus to take team honors. Faustin Baron, also a winner in this meet, won his second mile of the year.

Our team then went into the group meets. The first took place at Utica where we took a fourth place behind the wins of Faustin Baron in the mile, Don Carringi,

Faustin Baron finishing up another victorious mile run.

We then dropped to an eighth place, under heavy competition, in the rain-soaked 21st Annual Sports Carnival at Union's Alexander Field. Points were scored by Baron in the mile, Ehrentraut in the pole vault, and in the half-and one-mile relays. Our squad then ran to a second place in the sectional championship with victories in the 100-yard dash, the mile run, and the medley relay.

In the intersectional qualifier, our boys earned 7 spots. They were Ernie Marotta, Dick McNeal, Fred Mett, and George Luckhurst of the relay team; Faustin Baron, the mile; Roger Truesdale, the half mile; and Larry Killeen, the hundred-yard dash. Our section, section two, placed last at the intersectional meet.

Last spring, our tennis team, coached by Alex LaRocco, finished undefeated in nineteen matches and then easily captured the sectional championship.

Led by seniors Jim Cirincione and Doug Ille, who both went undefeated, and Bob Bowers, Bob Whitaker, and Richard Sahr, who each lost one match, the team met serious opposition in only two contests and made a clean sweep of every singles match in fourteen of nineteen outings. Although many boys alternated in the doubles competition, the two most consistent tandems were Dick Fetter-Jerry Connors and Jim Callahan-Phil Cogna.

The 1961 season included such outstanding feats as victories over Mont Pleasant and perennial power-houses, Albany Academy and Oneonta. The high point, however, came in the finals of the Section II Championship when our opponent was Niskayuna with twenty-two straight wins and two unbeaten netters. All three streaks bit the dust as we easily won our fourth straight Section II Championship, 5-2. In the Singles Championship, defending champ Cirincione was upset in the finals but Callahan and Whitaker combined to give us the doubles title.

Linton Is Class A Runner-Up

The Linton nine finished respectably by ending as runner-up for the 1961 Class A championship. Under Coach Denio's excellent teaching, we posted a 12-5-1 overall mark and a 7-2-1 Class A performance. Seniors Ben Winslow and Norm Timmins swung their bats to the top averages totaling .446 and .304 respectively. Freshman Mike Meola was a close third with .300. At the mound Jim Crosley, Paul Bricoccoli, Dick Farone and Joe Lesky provided the steam. Behind the plate Mike Caschera, Dan DeMeo and Ted Trapini supplemented the pitchers' fine work.

Perhaps the outstanding game of the year was the 10-1 rout of Mont Pleasant. Behind Bricoccoli's 2 hit pitching, Al Rath smacked two homers. Timmins lofted a 3 bagger and a single and Pat Fennicks hit a double to aid the cause. Earlier in the season Winslow hit two homers against Cobleskill to lead a 15-1 slaughter. Our final game was a 2-1 heartbreaker against Mont Pleasant. Bricoccoli lined a homer but we didn't quite make it.

ART HONOR

The Linton chapter of the National Art Honor Society consists of students who maintain a high average in art during the year and who have done some special project for the year. Members receive special honor on Senior Day.

LATIN HONOR SOCIETY

Composed only of seniors, membership in the Latin Honor Society is based on the maintenance of an A average for three years of Latin study or a B average for four years. The purpose of this organization is to present classical exhibits which increase the students' understanding of Latin culture. This year the members spent two days in Boston visiting places of classical interest. The group also sponsored a musical production in Latin and a Roman banquet.

Planning School Functions

The Student Council, composed of homeroom representatives and alternates, has sponsored several activities to improve the whole student body. Having our own foreign student, Chiquita Micames from Argentina, and sponsoring a series of seven seminars have enriched our background. After much consideration, the constitution was amended. The Council also sponsored such traditional activities as dances, bon fires, and the sale of bus tickets.

Annually the club sponsors a rollerskating party for the youngsters at the Children's Home and a party for the children at Sunnyview Orthopedic Hospital. This year the boys held a toy drive affiliated with the Children's Bureau. The proceeds gained from selling coke at various school functions were put toward a scholarship award presented at the end of the year.

TRI-HI-Y

Tri-Hi-Y, a girls' organization affiliated with the YMCA, maintains high standards of character and serves extensively the school

and the community. In addition to services rendered to various groups, the members participate in the annual Youth-In-Government assembly and in the Model United Nations.

HI-Y

Creating, maintaining and extending high standards of Christian character in the home, in the school, and in the community are the guiding principles upon which the Hi-Y organization is based. By participating actively in service projects, the Youth-In-Government program and the Model United Nations Assembly, and by affiliating with the National Hi-Y Youth Fellowship, the club achieves fulfillment of these goals.

FUTURE TEACHERS' ASSOCIATION

The purpose of the Future Teachers' Association is to bring girls together who are interested in teaching as a profession. The students are offered the opportunity to broaden their knowledge of the purpose and value of education in America.

At least once a year the FTA visits a State Teachers' College or University. The members sponsor bake sales and a dance to earn money for their trip and money for a scholarship which is presented to a senior member who has contributed much of her time and energy to the club. Preparing a Thanksgiving basket for a needy family and presenting an annual Teachers' Recognition Day Tea are also among the projects undertaken by the FTA.

CADET TEACHERS

Linton seniors have the opportunity to gain valuable experience and do a service to the community in the cadet teaching program. Under the guiding hand of elementary teachers in local schools, the students work with the children. By being exposed to classroom experience, the student is better able to decide whether or not she wants to be a teacher.

Audio-Visual Equipment Is Well Handled

AUDIO-VISUAL OFFICE AIDES

The whereabouts of our school's various audio-visual equipment is always known by members of this group. It is their responsibility to check in and to check out and to keep a record of the equipment used.

COMMUNICATIONS STAFF

In a school as large as Linton an effective communications system is vital, and it is the duty of the Communications Staff to see that the equipment is manned and operating properly at all times. Giving and receiving messages and playing music throughout the school are other responsibilities of the staff.

AUDIO-VISUAL AIDS

FUTURE NURSES

The Future Nurses Club is open to all Linton students interested in nursing as a career. It seeks to increase the members' knowledge and understanding of the responsibilities and requirements of nursing. This goal is accomplished by having representatives from the armed forces and from schools of nursing talk to them and by visiting hospitals in the capital district. The group does altruistic work at Sunnyview and at City Hospital.

NURSE'S AIDES

Nurse's Aides assist the school nurse with various tasks during their study periods. They are chosen on the basis of their ability, reliability, and a teacher's recommendation.

NIGHTINGALES

Nightingales is composed of practical nurses who participate in hospital activities. The object of this very worthy organization is to train these senior girls in as many different fields of service as possible.

'The Circus ' is TOP's Theme

TOP

From the rising of the curtain on Act I to the Grand Finale, TOP presented a vista of Linton's active talent and entertainment potential. Hours of hard work, practice, and behind-the-scenes aid from students and faculty culminated in a successful and enjoyable production. Talent ranged from organ to operetta (selections from "Oklahoma" by the Serenaders) and from dance to ballads — revealing the many facets of the young artists' abilities.

Learning to Do Important Jobs Well

ASSEMBLY PLANNING COMMITTEE

The Assembly Planning Committee is composed of ambitious, conscientious girls, who meet frequently to plan assemblies of interest to Linton's students. This selective group is responsible for the timing, effects, and seating arrangements of our school assemblies.

JUNIOR ACHIEVEMENT

Junior Achievement, through the aid of local industry, acquainted the teenager with the fundamentals of the business world. Groups of students formed companies and raised their own capital by selling stock at fifty cents a share. Then the company members designed, produced, and sold their products. The bank was money headquarters for all the J.A. companies. At the end of May all companies liquidated.

The Achievers became well rounded individuals, learning business functions and activities. All who participated in the program realized that Junior Achievement had done much for them.

Individual Merit Brings Rewards

VOICE OF DEMOCRACY

In the annual Voice of Democracy Contest sponsored by radio station WGY, Robert Binder, a senior, won second place honors and a fifty-dollar United States Savings Bond. Over fifty contestants from the WGY listening area participated in the contest. Thomas Crowe, a senior, also represented Linton in the competition.

GIRLS' STATE

The opportunity to participate in Girls' State is given to the girl who, upon completion of her junior year, has outstanding qualifications in scholarship, leadership, and sportsmanship, and who will have a serious attitude toward an intensive citizenship training program given in a mythical state. Joyce Altieri held the honor of being selected.

BOYS' STATE

Annually the American Legion sponsors Boys' State, a fifty-first state composed of outstanding high school juniors for the purpose of applying political science and promoting better citizenship. Michael Kussman represented Linton.

EXPERIMENT IN INTERNATIONAL LIVING

A summer spent in the homes of families in England and Belgium by Carol Sherman and Royce Cohen respectively was made possible by Experiment in International Living in 1961.

UNITED NATIONS REPRESENTATIVES (ANNE OJA AND BRUCE GRAY)

The Schenectady County Organization of Odd Fellows and Rebekahs presented the United Nations Pilgrimage Award to Anne Oja and Bruce Gray, two seniors. They attended the week-long world affairs session in New York City, spending most of the time at the United Nations headquarters on the East River.

REPRESENTATIVES IN CITY GOVERNMENT

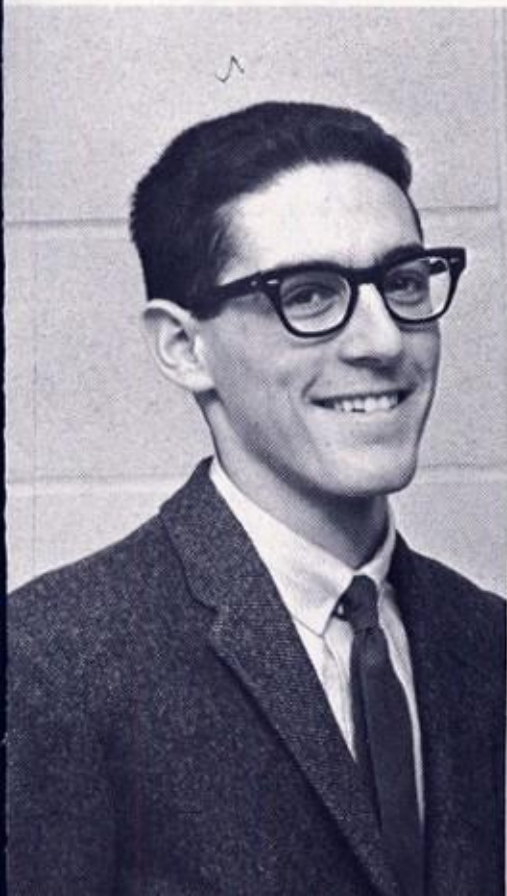

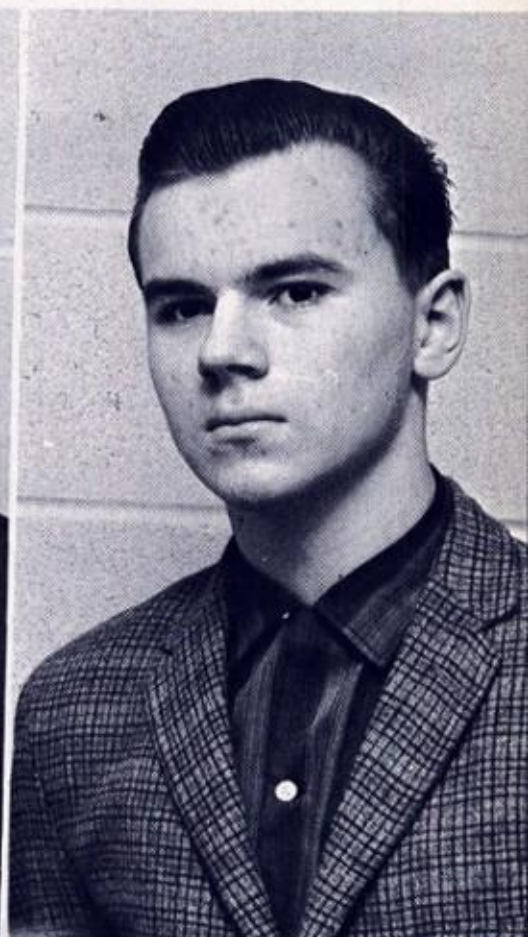

Students from the various high schools in Schenectady were selected "to hold office" in our city government for a day. From Linton, John Duguid, Barton Gipstein, Joseph Shuldiner, and Mickey Palmer represented our mayor, councilman, city marshal, and city manager. The day of student government was sponsored by the Schenectady Junior Chamber of Commerce.

CORNELL WEEKEND

As a result of being an outstanding student with an interest in applying to Cornell University, Warren Crow was selected from a group of Linton boys to be a Cornell weekend guest during his junior year.

KODAK PRIZE WINNER

William Jarmolych was a grand award winner in the junior division of the Sixteenth Annual Kodak High School Photo Awards. He received a prize of three hundred dollars for his winning picture entitled "Like Riding on a Cloud" taken in the Linton gym.

HARVARD BOOK AWARD AND ELMIRA KEY

Each year a junior boy and girl are selected to receive the Harvard Book Award and the Elmira Key, respectively. Both are selected because of outstanding scholastic achievement, marked leadership ability, and high standards of character. On class day these awards were presented to Michael Kussman and Naomi Lasdon.

The Man Who Came to Dinner

The Cast for "The Man Who Came to Dinner."

From the time of Sheridan Whiteside's first fall through all those laugh-filled minutes until his second mishap, "The Man Who Came to Dinner" was a great success. Sheridan's own gruff personality, several romances, a mad aunt who turned out to be a murderess, and a mummy case all contributed towards an evening full of not only dramatic ability but also amusing entertainment. The audience followed the harassed Stanley family, the impatient Mr. Whiteside, and his impetuous friends, lovelorn Maggie and Bert, and the foolish doctor breathlessly through their enjoyable plights and adventures.

The hard work of the cast, student directors, and faculty advisor was evident in each of the well-acted scenes. Of course, no school play could be presented without the co-operation of many committees. This year there were special groups to handle properties, make-up, ushering, light and sound, stage design, stage crew, and publicity. Each of these committees performed a necessary function in helping to make "The Man Who Came to Dinner" the memorable production that it undeniably was.

Beauty and Truth Shall Be Our Inspiration

The executive duties of Linton are very efficiently directed by Mr. Morhous, who received his M.S. degree from Albany State Teachers College. He has also studied at Fordham, Columbia, and New York University. He taught in both Schenectady high schools before serving as principal, first at Mont Pleasant High School, then at Nott Terrace High School, and now at Linton. In addition to participating in golf and curling, he manages to find time to attend the majority of our athletic contests, thereby promoting enthusiasm and school spirit.

To Fill the Mind; To Dedicate the Soul;

Mr. Glover earned his B.S. and M.S. degrees at St. Lawrence University. He did post graduate study at Columbia University and Albany State Teachers College. At Nott Terrace High School he taught science, became head of the science department there, and has now been assistant principal of Nott Terrace and Linton for sixteen years.

Mr. Gould also taught science before taking an administrative office. He graduated from Union College and received his M.S. degree at the University of Idaho. He joined the executive staff at Linton in 1959.

COUNSELORS

Our guidance counselors share many duties, all fulfilling the purpose of student guidance. Supervising enrollment, confirming credits, assisting in securing employment, advising on college applications and possible scholarships, administering scholastic aptitude tests, and giving considerate attention to individual students with personal problems make their days exceedingly active ones.

GUIDANCE PERSONNEL

FRONT ROW, seated: Mrs. Anna May Conroy, Mr. Ray Staley (Coordinator), Miss Madeline Wise. **SECOND ROW**: Mr. Alexander LaRocco, Mr. Albert L. Aldinger.

OFFICE STAFF

FRONT ROW, left to right: Mildred Tomek, Mrs. Edna Borgia, Mrs. Ines Ceriani, Mrs. Mary Russell, Mrs. Margaret McGrath.

STUDENT TEACHERS

FRONT ROW, left to right: Mrs. Hubbard (Albany State), Mrs. Thompson (Albany State), Miss Courselle (Albany State), Miss Osborn (Albany State), Mrs. Steinberg (Albany State),

Miss Pacelli (Geneseo State). *SECOND ROW*: Mr. Socci (Oswego State), Mr. Sohns (Albany State), Mr. Rick Fontaine (Union College).

During the year twenty-two student teachers from Union College, and State University Colleges at Albany, Oswego, and Plattsburg have been gaining practical teaching experience in Linton classrooms for a period of from two to three months. At first they observe classroom activities, and

later they actually take over the classes. Their supervisors visit them regularly to help them solve any problems that might arise and to offer them suggestions for improving their work.

CUSTODIANS

Our custodians, exemplifying the fine qualities of cleanliness, orderliness, and ready cooperation, keep our school a source of pride.

DAY CUSTODIAL STAFF

FRONT ROW, left to right: Tillie Rakvica, Lloyd Marks, Harry Cassidy.

CAFETERIA STUDENT AIDES

During the three busy lunch periods, student aides assist the staff.

CAFETERIA STAFF

Miss Gifford and her efficient staff spend many hours in the careful planning and preparation of our school lunches.

The End...

And The Beginning

Graduation . . . and the end of twelve years of grade and high school . . . the beginning of a new era for you.

Many of you will be going on to college, to technical schools . . . while others will be going directly to jobs. Whichever your course may be, remember that your education doesn't stop when you finish school. You can keep on learning . . . by reading, by being constantly curious on your job, about everything you do, and finding answers to your questions. You can't stand still . . . for space-age America holds little for those who refuse to make progress.

The scientists of the future need trained workers to back them up . . . technicians who can build from their plans. In business, in communications . . . in arts and the professions . . . there's a future for those who keep learning . . . those who acquire more skills and more knowledge.

At General Electric, the future will demand trained personnel everywhere . . . to design the machines, to build them, and to operate them . . . to handle the vast amount of work to be done in new ways, with new products. General Electric is not alone in this . . . for every firm finds itself in need of men and women with ability and training, in every degree.

In the years ahead, miss no opportunity to add to your store of knowledge. Keep searching for facts, for theories . . . for the basic information you will need to help you grow in your chosen field. If you do learn, you'll fit into the pattern of the future . . . ready to accept the opportunities it holds for success.

REGENTS SCHOLARSHIP WINNERS

Thirty-one Linton seniors were among the winners of the 1962 Regents college scholarships. The grants entitle their holders to an annual award for each of four years at a Regents-approved college within the state. These seniors took a qualifying exam last fall.

Barry Gold, David Sumberg, and Don Russo keep the equipment in the language lab working.

The Foundation Is Laid; Now to Build the Future

As the blueprint of our high school life reaches its completion, we, the editor and staff members, under the guidance of our faculty advisers, have finished the fifth volume of the LINTONAIRE. We have endeavored to make it a successful record of the activities and the triumphs of the students during a very important year in the history of Linton. We should like to acknowledge, with the deepest gratitude, the tireless efforts and the many hours spent by those who have worked so diligently for the success of this Annual.

Mike -

It's been fun "knocking" all
the inferiors in this school. And
all our HATE...! Dear Miss
Sullivan and all - Oh, yes, that
great teacher, Mr. Pensiero...
Maybe when I'm kicked out of
Miskayuna, I'll come back "home".

Best always
